Tipton Power Swabs Safety Instruction Guide

Introduction

Thank you for choosing the Tipton Power Swabs 22 cal, 250 count. These cleaning swabs are designed for effective and safe use in maintaining your firearms. This guide provides essential safety instructions and guidelines to ensure your experience is safe and efficient.

General Safety Guidelines

- Always use the product as intended and follow the instructions provided in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the swabs before use. Do not use if damaged or if the packaging is compromised.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the swabs.
- Avoid contact with the cleaning solution or any chemicals that may be used with the swabs.
- Do not use the swabs for purposes other than cleaning firearms.
- Dispose of used swabs properly to prevent accidental ingestion or misuse.
- Be cautious of sharp edges or parts when cleaning, and avoid placing fingers near the cleaning area.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe position.
- Gather all necessary cleaning supplies, including the Tipton Power Swabs.

2. Using the Swabs:

- Take a Power Swab from the package.
- Insert the swab into the barrel of the firearm, ensuring it fits snugly in the lands and grooves.
- Move the swab back and forth gently to clean the interior surfaces. Avoid excessive force.
- After use, remove the swab and dispose of it in a waste container.

3. PostCleaning:

- Clean any residual cleaning solution from the firearm as per the manufacturer's recommendations.
- Store the remaining swabs in a cool, dry place, away from direct sunlight.

Disposal Instructions

- Dispose of used Power Swabs in accordance with local waste disposal regulations.
- Do not flush swabs down the toilet or dispose of them in a manner that may cause environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the Tipton Power Swabs, please consult the product packaging or visit the manufacturer's website for additional resources and support.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you have a

positive experience with your Tipton Power Swabs.
