# Tipton Power Swabs Safety Instruction Guide

## Introduction

Thank you for choosing Tipton Power Swabs. This product is designed for effective cleaning of firearms, specifically for calibers 9mm, .38, and .357. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle cleaning products with care and keep them out of reach of children.
- Ensure that the product is used only for its intended purpose.
- Regularly check for updates or recalls related to this product on the EU Safety Gate platform.
- If you encounter any unsafe conditions or accidents, report them to the relevant authorities immediately.

## Specific Safety Precautions for Use

- Do not use the swabs if they appear damaged or compromised in any way.
- Always ensure that your firearm is unloaded before cleaning.
- Use in a wellventilated area to avoid inhaling any cleaning residues.
- Avoid contact with eyes and skin. If contact occurs, rinse thoroughly with water.
- Dispose of used swabs properly to prevent environmental contamination.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded and in a safe condition.
- Gather all necessary cleaning supplies, including the Tipton Power Swabs.

### 2. Using the Power Swabs:

- Take a swab from the package, ensuring it is intact.
- Insert the flexible bamboo handle into the firearm's barrel.
- Gently push the swab through the barrel, allowing it to conform to the lands and grooves for maximum cleaning effectiveness.
- Repeat as necessary until the barrel is clean.

### 3. PostCleaning:

- Dispose of the used swab in accordance with local disposal regulations.
- Store remaining swabs in a cool, dry place away from direct sunlight.

## Disposal Instructions

- Dispose of used swabs in accordance with local waste disposal regulations.
- Do not dispose of swabs in the environment; ensure they are placed in a sealed waste container.

## Contact Information for Further Support

For any questions or concerns regarding the use of Tipton Power Swabs, please contact the manufacturer directly through their official channels. Ensure you have the product details ready for reference.

Thank you for choosing Tipton Power Swabs. We appreciate your commitment to safe and responsible firearm

maintenance.
