Tipton Power Swabs Safety Instruction Guide

Introduction

Thank you for choosing Tipton Power Swabs for your cleaning needs. This guide provides essential safety instructions and information to ensure the safe and effective use of our product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a cleaning swab for firearms.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before use. Do not use if the swab is damaged or compromised.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Report any unsafe product experiences to the appropriate authorities.

Specific Safety Precautions for Use

- Always handle firearms safely and responsibly when using cleaning products.
- Use the swabs in a wellventilated area to avoid inhalation of any cleaning residues.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water and seek medical attention if irritation persists.
- Dispose of used swabs properly to prevent environmental contamination.
- Do not attempt to reuse disposable swabs as they are designed for singleuse only.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and in a safe condition before beginning any cleaning process.
- Gather all necessary cleaning supplies along with the Tipton Power Swabs.

2. Using the Power Swabs:

- Remove a swab from the packaging.
- Insert the flexible bamboo handle into the barrel of the firearm, ensuring it fits snugly into the lands and grooves.
- Rotate the swab gently while pulling it through the barrel to maximize cleaning effectiveness.
- Dispose of the swab after use; do not attempt to clean the firearm with the same swab again.

3. PostCleaning:

- After cleaning, ensure that the firearm is reassembled correctly and stored safely.
- Wash your hands thoroughly after handling the swabs and cleaning products.

Disposal Instructions

- Dispose of used Tipton Power Swabs in accordance with local waste disposal regulations.
- Do not dispose of swabs in the recycling bin as they are not recyclable.
- Ensure that used swabs are placed in a sealed bag or container to prevent accidental contact.

Contact Information for Further Support

For any inquiries regarding safety or product information, please reach out to your local distributor or retailer.

Thank you for following these safety instructions. Your safety and satisfaction are our priorities. Enjoy using Tipton Power Swabs!
