# Tipton Power Swabs Safety Instruction Guide

## Introduction

Thank you for choosing Tipton Power Swabs .45 cal, 125 count. This product is designed for effective cleaning of firearms, ensuring optimal performance and safety. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the swabs in a wellventilated area to avoid inhalation of any contaminants.
- Avoid contact with eyes and skin. If contact occurs, rinse thoroughly with water.
- Do not ingest any part of the product. If ingested, seek medical attention immediately.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Dispose of used swabs properly to avoid environmental contamination.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe position.
- Gather all necessary cleaning supplies, including the Tipton Power Swabs.

### 2. Using the Power Swabs:

- Take one Power Swab from the package.
- Insert the swab into the barrel of the firearm, ensuring it fits snugly into the lands and grooves.
- Rotate the swab gently while pulling it through the barrel to maximize cleaning effectiveness.
- Dispose of the swab after use.

### 3. PostCleaning:

- Inspect the barrel to ensure it is clean and free from residue.
- Store the firearm in a safe and secure location.

## Disposal Instructions

- Dispose of used Power Swabs in accordance with local waste disposal regulations.
- Do not dispose of the swabs in regular household waste if local laws prohibit this.
- Consider recycling options if available in your area.

## Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to the EUbased contact point provided by the manufacturer.
