Tipton Power Swabs Safety Instruction Guide

Introduction

Thank you for choosing the Tipton Power Swabs. This product is designed for cleaning .50 caliber firearms effectively and safely. This guide provides essential safety instructions and precautions to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Use the product only for its intended purpose.
- Be aware of your surroundings and ensure you are in a safe environment while using the product.
- Dispose of the product responsibly after use, following local regulations.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before cleaning.
- Avoid contact with the swab's cleaning solution (if applicable) and follow the manufacturer's safety data sheet.
- Do not use excessive force when cleaning to avoid damage to the firearm.
- Use the swab in a wellventilated area to minimize inhalation risks.
- Do not attempt to clean the firearm while it is still hot from use.
- If any irritation occurs while using the product, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe position.
- Gather all necessary cleaning supplies, including the Tipton Power Swabs.

2. Using the Power Swabs:

- Take one swab from the package.
- Insert the swab gently into the barrel of the firearm.
- Move the swab back and forth to clean the lands and grooves effectively.
- Dispose of the swab after use. Do not attempt to reuse.

3. PostUse:

- After cleaning, ensure that the firearm is properly reassembled and stored safely.
- Wash your hands after handling the swabs.

Disposal Instructions

- Dispose of used Power Swabs in accordance with local waste disposal regulations.
- Do not dispose of the swabs in regular household waste if they contain hazardous materials.
- Check local guidelines for special disposal instructions for cleaning materials.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Tipton Power Swabs, please refer to the manufacturer's website or contact the designated EU contact point.

Please ensure to follow these guidelines carefully to maintain safety and effectiveness while using the Tipton Power Swabs. Thank you for your attention to these important safety instructions.
