# Tipton Power Swabs Safety Instructions

## Introduction

Thank you for choosing the Tipton Power Swabs Pointed Tip, 400 count. This product is designed for effective and safe cleaning of firearms. Please read this safety instruction guide carefully to ensure safe and proper use of the product in compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use. Do not use if damaged or if the cotton swab is frayed.
- Store the product in a cool, dry place away from direct sunlight.
- Follow all local regulations regarding the disposal of cleaning materials.

## Specific Safety Precautions for Use

- Do not insert the swab into any part of the firearm that is not intended for cleaning.
- Use the swabs in a wellventilated area to avoid inhaling any dust or debris.
- Avoid using excessive force when cleaning to prevent damage to the firearm.
- Dispose of used swabs properly to prevent environmental contamination.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies in a welllit area.

### 2. Using the Power Swabs:

- Remove one cotton swab from the packaging.
- Hold the flexible bamboo handle firmly.
- Insert the pointed tip of the swab into the desired area of the firearm, ensuring it fits into the lands and grooves.
- Gently twist and move the swab to clean the area effectively.
- Repeat as necessary with additional swabs for thorough cleaning.

### 3. PostUse:

- Dispose of the used swab in accordance with local waste disposal regulations.
- Store unused swabs in their original packaging to keep them clean and dry.

## Disposal Instructions

- Dispose of used swabs according to local regulations for hazardous waste.
- Do not flush swabs down the toilet.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## Contact Information for Further Support

For any safety inquiries or further support, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

By adhering to these safety instructions, you can ensure a safe and effective cleaning experience with your Tipton Power Swabs. Thank you for your attention to safety and proper usage.
