Tipton Power Swabs Safety Instructions

Introduction

Thank you for choosing Tipton Power Swabs. This product is designed to provide effective cleaning for firearms while ensuring user safety. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose of cleaning firearms.
- Keep the product out of reach of children and pets to prevent accidental ingestion or misuse.
- Always follow local laws and regulations regarding the use of cleaning products for firearms.
- Inspect the product before use. Do not use if the swab or handle is damaged.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only in wellventilated areas to avoid inhaling any cleaning residue.
- Do not use the swabs on hot surfaces or immediately after use on a firearm.
- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water.
- Do not attempt to clean firearms while they are loaded. Ensure all firearms are unloaded before cleaning.
- Dispose of used swabs properly to avoid accidental injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure you are in a safe and wellventilated area.
- Gather all necessary materials, including the Tipton Power Swabs and any additional cleaning solutions you may require.

2. Using the Swabs:

- Remove a swab from the packaging.
- Insert the flexible bamboo handle into the barrel of the firearm.
- Rotate the swab gently to clean the lands and grooves of the barrel.
- For maximum cleaning effectiveness, use a swab that fits the caliber of your firearm.

3. PostCleaning:

- After use, dispose of the swab in a waste container.
- Clean any surfaces that may have come into contact with cleaning solutions or residues.

Disposal Instructions

- Dispose of used swabs in accordance with local waste disposal regulations.
- Do not flush swabs down the toilet or dispose of them in a manner that may cause environmental harm.
- Ensure that all cleaning materials are stored securely and disposed of properly to prevent accidental exposure.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of Tipton Power Swabs, please refer to the product packaging for the appropriate EU contact point for safety inquiries.

Thank you for ensuring your safety and the safety of others while using Tipton Power Swabs.
