Wheeler Trigger Pull Scale Safety Instruction Guide

Introduction

Thank you for choosing the Wheeler® Trigger Pull Scale. This guide provides essential safety instructions to ensure the safe and effective use of your trigger pull scale. Please read these instructions carefully before using the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose of measuring trigger pull weight.
- Always handle the trigger pull scale with care to prevent damage and ensure accurate measurements.
- Keep the product out of reach of children and vulnerable individuals to avoid misuse and potential accidents.
- Regularly inspect the trigger pull scale for any signs of wear or damage. Do not use if damaged.
- Store the trigger pull scale in a dry place away from extreme temperatures and humidity.

Specific Safety Precautions for Use

- Always use the trigger pull scale in a safe environment, away from distractions.
- When measuring trigger pull weight, ensure that the firearm is unloaded and pointed in a safe direction.
- Avoid using excessive force when pulling the scale to prevent injury or damage to the device.
- Do not attempt to disassemble or modify the trigger pull scale. This can lead to inaccurate measurements and void any warranty.
- If the scale does not function as expected, stop using it immediately and consult the troubleshooting section or seek professional assistance.

Instructions for Installation and Usage

1. Setup:

- Ensure the trigger pull scale is clean and free from debris.
- Hold the scale by the ergonomically shaped handle, ensuring a comfortable grip.

2. Measuring Trigger Pull Weight:

- Attach the scale to the trigger of the firearm securely.
- Pull the scale straight back in a smooth, steady motion until the trigger breaks.
- Read the maximum weight indicated on the sliding indicator. This will show the trigger pull weight.
- Repeat the measurement as necessary for accuracy, ensuring consistent pulling direction.

3. After Use:

- Remove the scale from the trigger carefully.
- Store the scale in its designated storage area to maintain its condition.

Disposal Instructions

- Dispose of the trigger pull scale in accordance with local regulations regarding electronic waste.
- Do not throw the scale in regular household waste.
- If the product is no longer functional, consider recycling it at a designated electronic waste facility.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please contact the manufacturer or refer to the product packaging for further information.

Reporting Unsafe Products

- If you encounter any unsafe products or accidents, report them to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

By following these safety instructions, you can ensure a safe and effective experience with your Wheeler® Trigger Pull Scale. Thank you for prioritizing safety.
