# Caldwell AR500 13" Octagon Safety Instruction Guide

## Introduction

Thank you for choosing the Caldwell AR500 13" Octagon targets. These targets are designed for competition, training, and recreational use. Made from AR500 hardened steel, they are built to withstand thousands of rounds. This guide provides essential safety instructions to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle targets with care to avoid injury.
- Ensure that the area around the targets is clear of people and pets.
- Use targets in a controlled environment, such as a shooting range.
- Wear appropriate safety gear, including eye protection and hearing protection, when shooting.
- Regularly inspect targets for signs of wear or damage before use.
- Follow all local laws and regulations regarding shooting practices.

## Specific Safety Precautions for Use

- Ensure that the target is mounted securely to prevent it from falling or moving during use.
- Maintain a safe distance from the target while shooting, as ricochets can occur.
- Do not shoot at targets with projectiles that exceed the recommended impact velocity of 3000 fps or energy of 3500 ft.lbs.
- Avoid shooting at targets that are cracked or damaged, as they may shatter.
- Keep children and vulnerable individuals away from the shooting area at all times.

## Instructions for Installation and Usage

### Installation

- Choose a suitable location for the target that meets safety requirements.
- Use the appropriate hanging solution for the target size and weight.
- Ensure that the target is mounted at a height and angle that minimizes the risk of ricochets.

### Usage

- Always check the target before each use for any signs of damage.
- Stand at a safe distance, as recommended by local guidelines, when shooting at the target.
- Follow proper shooting techniques to ensure safety and accuracy.

## Disposal Instructions

- Dispose of damaged targets in accordance with local waste disposal regulations.
- Do not dispose of targets in a manner that may pose a risk to the environment or public safety.

## Contact Information for Further Support

For any questions or concerns regarding the Caldwell AR500 13" Octagon targets, please reach out to our customer support team. Ensure that you have the product information ready for reference.

Thank you for prioritizing safety while using Caldwell targets. Enjoy your shooting experience responsibly!
