# Caldwell Accumax Pic Rail Bipod 6"9" Safety Instruction Guide

## Introduction

Thank you for choosing the Caldwell Accumax Premium 6"9" Bipod. This guide provides important safety instructions and usage guidelines to ensure your safety and maximize the performance of your bipod. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure the bipod is compatible with your firearm before use.
- Always handle firearms safely and responsibly.
- Inspect the bipod for any damage or wear before each use.
- Do not exceed the weight limit specified by the manufacturer.
- Keep the bipod clean and free from debris to ensure proper function.
- Store the bipod in a cool, dry place when not in use.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Always ensure the bipod is securely attached to the firearm before use.
- Use the bipod on stable and level ground to prevent tipping.
- Be aware of your surroundings and ensure that the area is safe for shooting.
- Do not place any part of your body in front of the firearm while it is mounted on the bipod.
- Avoid using the bipod in wet or slippery conditions.
- Do not modify the bipod in any way as it may compromise its safety and functionality.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Align the bipod's attachment point with the Picatinny or MLoc rail on your firearm.
- Securely fasten the bipod using the provided mounting hardware.
- Doublecheck that the bipod is firmly attached before proceeding.

### 2. Usage

- Deploy the bipod by pulling the legs downward until they lock into place.
- Adjust the leg length to suit your shooting position by using the twistlock mechanism.
- Use the leg angle adjustment feature to position the bipod for optimal stability.
- Utilize the swivel tension lever to achieve the desired pivot and tracking motion.
- After use, retract the bipod legs and store it properly.

## Disposal Instructions

- Dispose of the bipod in accordance with local waste disposal regulations.
- If the bipod is damaged beyond repair, ensure that it is disposed of in a manner that prevents any harm to the environment.
- Consider recycling materials where applicable.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Caldwell Accumax Pic Rail Bipod, please refer to the manufacturer's website or contact their customer service department.

## **Conclusion**

Your safety and satisfaction are our top priorities. By following these guidelines, you can ensure a safe and enjoyable experience with your Caldwell Accumax Premium 6"9" Bipod. Thank you for your attention to these important safety instructions.
