

Pic Rail Adaptor Plate

[Shooting Accessories](#)

The Caldwell® Pic Rail Adapter is perfect for utilizing both your shoulder sling and a pic rail mounted accessory at the same time. By adjusting the tension on the front and rear T20 screws you can change the vertical angle of the Pic Rail Adapter to align with the barrel instead of the stock.

Caldwell Pic Rail Adaptor Plate Safety Instruction Guide

Introduction

Thank you for choosing the Caldwell® Pic Rail Adapter Plate. This product is designed to enhance your shooting experience by allowing the simultaneous use of a shoulder sling and a pic rail mounted accessory. To ensure your safety and the proper functioning of the product, please read this safety instruction guide carefully before use.

General Safety Guidelines

- Ensure that the Pic Rail Adapter Plate is used only for its intended purpose.
- Always inspect the product for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of shooting accessories.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for accessories mounted on the Pic Rail Adapter Plate.
- Ensure that the tension on the front and rear T20 screws is properly adjusted to prevent any accidental dislodging of the adapter.
- Always align the Pic Rail Adapter with the barrel of your firearm for optimal safety and performance.
- Avoid using the Pic Rail Adapter in extreme weather conditions, as this may affect its performance and safety.
- Do not modify or alter the Pic Rail Adapter Plate in any way.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction before installation.
- Locate the pic rail on your firearm where the adapter will be mounted.
- Align the Pic Rail Adapter Plate with the pic rail, ensuring that it fits securely.
- Use the T20 screws to secure the adapter in place. Adjust the tension on the front and rear screws as necessary to achieve the desired vertical angle.
- Doublecheck that the adapter is firmly attached before proceeding.

2. Usage:

- Attach your shoulder sling and any pic rail mounted accessories to the adapter.
- Regularly check the tightness of the screws during use to ensure safety.
- After use, remove any accessories and store the Pic Rail Adapter Plate in a safe location.

Disposal Instructions

- Dispose of the Caldwell Pic Rail Adapter Plate in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided by your retailer or manufacturer. Ensure to have the product details ready when reaching out for support.

Thank you for following these safety instructions. Your safety is our priority. Enjoy your shooting experience with the Caldwell® Pic Rail Adapter Plate!
