

# Fast Case Gun Cover

## [Shooting Accessories](#)

The Caldwell® Fast Case Gun Cover protects firearms from all that Mother Nature can throw at them. Durable ballistic fabric stands up to thorns, sticker bushes or any other abrasive surfaces. The PVC lined fabric provides water resistance to the firearm. The large bottom opening lets the user keep the firearm covered but still allows them to carry it with a standard sling. The Caldwell® Fast Case Gun Cover is very easy to use and fast to take off when the shot matters most.

# Caldwell Fast Case Gun Cover Safety Instructions

## Introduction

Thank you for choosing the Caldwell® Fast Case Gun Cover. This product is designed to protect your firearms from environmental elements. Please read this safety instruction guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the gun cover is suitable for the specific firearm you intend to protect.
- Always inspect the gun cover for any signs of wear or damage before each use.
- Keep the gun cover out of reach of children and pets when not in use.
- Do not use the gun cover as a substitute for proper firearm storage.
- Be aware of your surroundings when using the gun cover outdoors, especially in areas with thorny or abrasive vegetation.

## Specific Safety Precautions for Use

- **Water Resistance:** While the PVC lined fabric provides water resistance, it is not completely waterproof. Avoid prolonged exposure to heavy rain or submerging in water.
- **Abrasive Surfaces:** Be cautious when placing the gun cover on rough or sharp surfaces, as these may damage the fabric.
- **Carrying Firearms:** When using the gun cover with a sling, ensure that the firearm is securely fastened to prevent accidental drops.
- **Temperature Extremes:** Avoid exposing the gun cover to extreme temperatures, as this may affect the integrity of the materials.
- **Regular Cleaning:** Clean the gun cover regularly to maintain its protective qualities. Follow the care instructions provided by the manufacturer.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and safe to handle.
- Choose a clean, dry area for covering the firearm.

### 2. Covering the Firearm:

- Open the Caldwell Fast Case Gun Cover completely.
- Carefully slide the firearm into the cover, ensuring it fits snugly.
- Ensure that the large bottom opening allows for easy access to carry the firearm with a standard sling.

### 3. Securing the Cover:

- Once the firearm is in the cover, check that it is fully enclosed and that no part of the firearm is exposed.
- Adjust the cover as necessary to ensure a secure fit.

### 4. Storage:

- Store the covered firearm in a cool, dry place when not in use.
- Avoid placing heavy objects on top of the covered firearm.

## **5. Removing the Cover:**

- When ready to use the firearm, carefully remove the cover by pulling it off gently.
- Ensure that the firearm is still unloaded and safe to handle after removing the cover.

## **Disposal Instructions**

- Dispose of the Caldwell Fast Case Gun Cover in accordance with local regulations.
- If the cover is damaged beyond repair, consider recycling the materials if possible.
- Do not incinerate the cover, as this may release harmful substances.

## **Contact Information for Further Support**

For any inquiries about safety, usage, or product recalls, please refer to the manufacturer's contact details provided with the product. Always keep updated with the latest safety information and recall notices through official channels.

By following these safety instructions, you can ensure the optimal use of the Caldwell Fast Case Gun Cover while maintaining the safety of yourself and others. Thank you for your attention to these important guidelines.
