

# Field Recoil Shield (Ambidextrous)

## Shooting Accessories

Created with the field shooter in mind, the lightweight, foam recoil system is designed for quick and easy gun mounting in the field, and provides valuable protection from recoil. It is ambidextrous and attaches with an easily adjustable hook and loop closure for a secure fit. Front and back leather faces secures the gun comfortably in place, eliminating any sliding. The shield's 1/4" thick energy-absorbing pad provides excellent protection from all shotguns.

# Caldwell Field Recoil Shield (Ambidextrous) Safety Instruction Guide

## Introduction

Thank you for choosing the Caldwell Field Recoil Shield (Ambidextrous). This product is designed to enhance your shooting experience by providing protection from recoil while ensuring comfort and ease of use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or removing the recoil shield.
- Inspect the recoil shield for any signs of damage or wear before each use.
- Use the recoil shield only as intended, following the manufacturer's instructions.
- Keep the recoil shield out of reach of children and vulnerable individuals when not in use.
- Report any unsafe product experiences or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the hook and loop closure is securely fastened before using the recoil shield.
- Adjust the recoil shield for a snug fit to prevent slipping during use.
- Do not use the recoil shield with firearms that are not compatible with its design.
- Avoid using the recoil shield in wet or damp conditions, as this may affect its performance.
- Be aware of your surroundings and follow all safety protocols when handling firearms.

## Instructions for Installation and Usage

1. **Preparation:** Ensure that your firearm is unloaded and safe to handle.
2. **Attaching the Recoil Shield:**
  - Place the recoil shield against your shoulder.
  - Position the hook and loop closure around your upper arm.
  - Adjust the closure to achieve a secure and comfortable fit.
3. **Using the Recoil Shield:**
  - Once the recoil shield is secured, position your firearm against the shield.
  - Ensure that the front and back leather faces are properly aligned to hold the firearm in place.
  - Maintain a firm grip on the firearm while shooting to ensure stability.
4. **PostUse:** After use, remove the recoil shield and store it in a dry place away from direct sunlight.

## Disposal Instructions

- Dispose of the Caldwell Field Recoil Shield responsibly.
- If the product is damaged or no longer in use, consider recycling materials where possible.
- Follow local regulations for the disposal of nonbiodegradable materials.

## Contact Information for Further Support

For any inquiries or further assistance regarding the Caldwell Field Recoil Shield, please refer to the manufacturer's customer service or website. It is important to have a designated contact point for any safety concerns.

Thank you for your attention to these safety instructions. Your safety is paramount, and we hope you enjoy using the Caldwell Field Recoil Shield (Ambidextrous).
