VISION & DESIGN RPS Adapter for Vision Chassis Safety Instructions

Introduction

Thank you for choosing the VISION & DESIGN RPS Adapter for your Vision chassis. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always supervise children when using this product.
- Keep the product away from heat sources and open flames.
- Regularly inspect the adapter for any signs of wear or damage before each use.
- Do not attempt to modify or repair the adapter yourself.
- If you encounter any issues during installation or use, seek professional assistance.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the RPS adapter is compatible with your specific Vision chassis model.
- **Weight Limit:** Adhere to the manufacturer's weight limit for the bipod to prevent instability.
- **Secure Mounting:** Always doublecheck that the adapter is securely mounted before use.
- **Environmental Conditions:** Avoid using the adapter in extreme weather conditions that may affect its performance.
- **Storage:** Store the adapter in a dry place when not in use to prevent corrosion.

Instructions for Installation and Usage

1. Installation:

- Gather all necessary tools before starting the installation.
- Ensure the Vision chassis is clean and free of debris.
- Align the RPS adapter with the mounting points on the Vision chassis.
- Use the provided screws to securely attach the adapter.
- Tighten screws with a suitable tool, ensuring they are snug but not overtightened.

2. Usage:

- Once the adapter is installed, attach the RPS bipod according to the manufacturer's instructions.
- Test the stability of the bipod before relying on it.
- Always follow the recommended usage guidelines for the bipod to avoid accidents.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the adapter in household waste.
- Consider recycling options for materials when possible.

Contact Information for Further Support

For any safety inquiries or concerns regarding the VISION & DESIGN RPS Adapter, please refer to the

provided contact information from your retailer or visit the manufacturer's website for further assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your VISION & DESIGN RPS Adapter. Thank you for your attention to these guidelines.
