# QORE PERFORMANCE, INC. IcePlate Side Release Armor Straps Safety Instructions

## Introduction

Thank you for choosing the QORE PERFORMANCE, INC. IcePlate Side Release Armor Straps. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this manual carefully before using the straps.

## General Safety Guidelines

- Ensure that the IcePlate Side Release Armor Straps are used only as intended.
- Regularly inspect the straps for any signs of wear or damage before each use.
- Keep the straps out of reach of children and vulnerable individuals to prevent accidental injury.
- Do not use the straps for any purpose other than securing IcePlates to External Carriers.
- In case of any malfunction or if the straps appear unsafe, discontinue use immediately and report the issue.

## Specific Safety Precautions for Use

- Always ensure that the straps are securely fastened before use.
- Avoid overtightening the straps, as this may cause damage to the IcePlate or the External Carrier.
- Do not expose the straps to extreme temperatures or harsh chemicals, as this may affect their performance and safety.
- When using the straps, ensure that they do not obstruct any moving parts of the External Carrier.
- If you notice any fraying or other damage to the straps, replace them immediately.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your IcePlate and External Carrier are clean and dry before attaching the straps.
- Gather the necessary components: two upgraded, detachable, and reusable side release velcro cinching straps.

### 2. Installation:

- Position the IcePlate in the desired location on the External Carrier.
- Take one strap and thread it through the designated attachment points on both the IcePlate and the External Carrier.
- Pull the strap tight to secure the IcePlate in place, ensuring that it is stable and secure.
- Repeat the process with the second strap, ensuring both straps are evenly tensioned.

### 3. Usage:

- Before each use, doublecheck that the straps are securely fastened and the IcePlate is stable.
- During use, periodically check the straps for any signs of loosening or damage.
- If you need to remove the IcePlate, simply release the straps by pressing the side release mechanism.

## **Disposal Instructions**

- When the straps are no longer usable or have reached the end of their life cycle, dispose of them in accordance with local waste disposal regulations.
- Consider recycling the straps if possible, as they may be made from recyclable materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the QORE PERFORMANCE, INC. IcePlate Side Release Armor Straps, please refer to the manufacturer's website or contact your local retailer for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your IcePlate Side Release Armor Straps.
