- **Rapid Alerts:** Stay informed about product safety by checking for updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Sharp Objects:** Keep the straps away from sharp objects that may cause damage.
- **Check for Damage:** Before each use, inspect the straps for any signs of wear or damage. Do not use if damaged.
- **Proper Use:** Use the straps only as intended, to secure IcePlates to External Carriers. Misuse may lead to accidents.
- **Keep Away from Heat:** Do not expose the straps to extreme heat or open flames.
- **Storage:** Store the straps in a cool, dry place away from direct sunlight and moisture.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all components: two detachable side release velcro cinching straps.
- Identify the External Carrier to which you will attach the IcePlate.

2. Attaching the Straps:

- Take one strap and thread it through the designated loops on the External Carrier.
- Secure the strap by attaching the velcro ends together, ensuring a tight fit.
- Repeat the process with the second strap on the opposite side of the IcePlate.

3. Securing the IcePlate:

- Position the IcePlate securely within the External Carrier.
- Make sure that the straps are cinched tightly to prevent movement during use.

4. **Final Check:**

- After installation, doublecheck that all straps are secure and that the IcePlate is stable.
- Perform a gentle tug on the straps to ensure they are properly fastened before use.

Disposal Instructions

- **Disposal of Straps:** When the straps reach the end of their life, dispose of them in accordance with local waste disposal regulations.
- **Recycling:** If applicable, check if the materials can be recycled to minimize environmental impact.
