# QORE PERFORMANCE, INC. IcePlate Side Release Armor Straps Safety Instructions

## Introduction

Thank you for choosing the QORE PERFORMANCE, INC. IcePlate Side Release Armor Straps. These straps are designed to enhance the security and stability of your IcePlate when attached to external carriers. This safety instruction guide provides essential information on safe usage, installation, and disposal of the product, ensuring compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always inspect the straps before use for any signs of wear or damage.
- Use the straps only for their intended purpose as specified in this guide.
- Keep the straps out of reach of children and vulnerable individuals to prevent accidents.
- In case of any malfunction or if you notice any safety concerns, discontinue use immediately and report the issue.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the straps are securely fastened before use to prevent accidental release.
- Do not exceed the recommended load capacity of the IcePlate when using these straps.
- Avoid exposing the straps to extreme temperatures or harsh chemicals, as this may affect their integrity.
- If using the straps in wet conditions, ensure they are dried properly after use to prevent mold and degradation.
- Regularly check the condition of the straps and replace them if any wear or damage is detected.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary components, including the IcePlate and the side release armor straps.

### 2. Installation:

- Align the straps with the designated attachment points on the IcePlate.
- Thread the strap through the side release buckle, ensuring it is secure.
- Pull the strap to tighten it around the IcePlate, ensuring a snug fit.

### 3. Usage:

- Once installed, attach the IcePlate with the straps to your external carrier.
- Doublecheck that all connections are secure before moving or using the IcePlate.
- Monitor the stability of the IcePlate during use and adjust the straps as necessary.

### 4. Removal:

- To remove the IcePlate, simply release the side buckle and carefully detach the straps from the attachment points.
- Store the straps in a cool, dry place when not in use.

## **Disposal Instructions**

- Dispose of the straps in accordance with local waste management regulations.
- Do not dispose of the straps in regular household waste if they are damaged or contain hazardous materials.
- Consider recycling options where available to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your QORE PERFORMANCE, INC. IcePlate Side Release Armor Straps responsibly.
