QORE PERFORMANCE, INC. IcePlate Side Release Armor Straps Safety Instructions

Introduction

Thank you for choosing the QORE PERFORMANCE, INC. IcePlate Side Release Armor Straps Wolf Grey. These upgraded, detachable, and reusable straps are designed to enhance the security and stability of your IcePlate when attached to external carriers. This safety instruction guide provides essential information to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the IcePlate Side Release Armor Straps are used only for their intended purpose of securing IcePlates to external carriers.
- Always inspect the straps for any signs of wear or damage before each use.
- Keep the straps out of reach of children to prevent accidental injury or misuse.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Do not exceed the recommended load capacity when securing your IcePlate.
- Avoid using the straps in extreme temperatures or harsh environmental conditions that may affect their integrity.
- Ensure that the straps are properly attached and tightened before use to prevent accidental release.
- If you notice any fraying, tearing, or other damage to the straps, discontinue use immediately and replace them.
- Avoid using the straps for any purpose other than securing IcePlates.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have a clean and dry IcePlate and external carrier before installation.
- Gather the IcePlate Side Release Armor Straps.

2. Attaching the Straps:

- Identify the designated attachment points on your external carrier.
- Position the IcePlate against the carrier and align the straps with the attachment points.
- Thread one end of the strap through the side release buckle and pull it through until secure.
- Repeat this process for the second strap.

3. Securing the IcePlate:

- Pull the straps tight to ensure a secure fit.
- Press the side release buckle to lock the straps in place.
- Doublecheck that the IcePlate is firmly attached and does not move.

4. Final Inspection:

- Before use, perform a final inspection of the straps and IcePlate to ensure everything is secure and in good condition.

Disposal Instructions

- Dispose of the IcePlate Side Release Armor Straps in accordance with local waste management regulations.
- If the straps are no longer usable, consider recycling them if possible, or discard them in an appropriate waste bin.

Contact Information for Further Support
