Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

The 3005 series is optimized for the transportation by airplane.

Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

Safety Instruction Guide for RED 7814 EXPLORER CASES

Introduction

Thank you for choosing the RED 7814 EXPLORER CASES. This product is designed to provide the best protection for your valuable equipment. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the case is used only for its intended purpose: storing and transporting firearms and related equipment.
- Regularly inspect the case for any signs of damage or wear.
- Keep the case out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding the storage and transportation of firearms.
- In the event of any safety concerns or incidents, report them to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Ensure the case is closed securely before transport to prevent accidental opening.
- Be cautious of sharp edges when handling the case.
- The case is waterresistant, but do not submerge it in water.

- **Avoiding Hazards:**

- Always use the locking latches to secure the case when not in use.
- Do not overload the case beyond its maximum weight limit of 6.40 kg (5.50 kg without inlay).
- When using the shoulder straps, ensure they are securely attached to prevent slipping.

- **AgeSpecific Warnings:**

- This case is not intended for use by children. Keep it stored in a secure location away from their access.

Instructions for Installation and Usage

- **Initial Setup:**

- Remove the case from its packaging and inspect for any damage.
- Ensure that the inlay is correctly positioned within the case for optimal protection.

- **Loading the Case:**

- Place your firearm and accessories carefully into the designated compartments.
- Ensure that all items are securely positioned and do not move when the case is closed.

- **Transporting the Case:**

- Use the large front handle for traditional carrying or attach the optional shoulder straps for handsfree transport.

- Always keep the case upright during transport to avoid damage to the contents.

- **Securing the Case:**

- Close the lid firmly and engage all locking latches.
- Check that the Oring gasket is properly seated to ensure water resistance.

Disposal Instructions

- When the case has reached the end of its life, dispose of it in accordance with local waste management regulations.
- If the case is damaged beyond repair, consider recycling the polypropylene material where facilities exist.
- Do not dispose of the case in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product concerns, please refer to the appropriate contact points as indicated in your product documentation. Always ensure you have the latest information regarding recalls or safety updates through the EU's Safety Gate platform.

Thank you for prioritizing safety and compliance. Your RED 7814 EXPLORER CASES is designed to provide you with reliable protection for years to come.
