Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The Mod Red 9413 series can also be used as trolley case.

Safety Instruction Guide for RED 9413 EXPLORER CASES

Introduction

Thank you for choosing the RED 9413 EXPLORER CASES. This guide provides essential safety information to ensure the safe and effective use of your product. Please read this guide carefully before using the case to protect your valuable equipment.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a weapon case.
- Always handle the case with care to prevent injury or damage.
- Regularly inspect the case for any signs of wear or damage.
- Keep the case out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the storage and transport of weapons.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the maximum weight limit of 7.70 kg (6.70 kg without inlay) to prevent damage to the case and ensure safe handling.
- **Water Resistance:** While the case is waterresistant, do not submerge it in water. Ensure that the Oring gasket is intact to maintain its waterresistant properties.
- **Locking Mechanism:** Always engage the locking latches when the case is not in use to secure contents and prevent unauthorized access.
- **Air Pressure Release Valve:** Use the manual air pressure release valve when closing the case after travel to avoid pressure buildup.
- **Proper Storage:** Store the case in a cool, dry place away from direct sunlight to prevent damage to the materials.

Instructions for Installation and Usage

1. Opening the Case:

- To open, disengage the locking latches and lift the lid carefully.
- Ensure the lid stays in place using the lid stay feature.

2. Storing Equipment:

- Place your equipment inside the case, utilizing the internal cutouts for optimal organization.
- Use optional internal brackets or mounting rings for additional support if needed.

3. Transporting the Case:

- Use the large front handle for traditional carrying.
- For handsfree transport, attach the optional shoulder straps to the designated points on the case.
- The Mod Red 9413 series can be used as a trolley case for easier mobility.

4. Closing the Case:

- Ensure all equipment is securely stored and the lid is closed.
- Engage the locking latches to secure the case.
- If traveling by air or in varying pressure conditions, use the air pressure release valve before

sealing the case.

Disposal Instructions

- Dispose of the case in accordance with local regulations regarding plastic waste.
- If the case is damaged beyond repair, consider recycling the polypropylene material where facilities exist.
- Remove any labels or personal information before disposal.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the product packaging or your retailer for the appropriate contact information.

By following these guidelines, you can ensure the safe and effective use of your RED 9413 EXPLORER CASES. Thank you for your attention to safety.
