## Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

## Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The Mod Red 9413 series can also be used as trolley case.

# Safety Instruction Guide for RED 9413 EXPLORER CASES

## Introduction

Thank you for choosing the RED 9413 EXPLORER CASES. This guide provides essential safety instructions to ensure the safe use and handling of your weapon case. Please read this manual carefully before using the product to familiarize yourself with its features and safety precautions.

## General Safety Guidelines

- Always ensure that the case is closed and locked when not in use.
- Do not exceed the maximum weight limit of 6.70 kg.
- Keep the case out of reach of children and vulnerable individuals.
- Inspect the case regularly for any signs of damage or wear.
- Ensure that the case is stored in a cool, dry place away from direct sunlight.
- Follow all local laws and regulations regarding the storage and transportation of weapons.

## Specific Safety Precautions for Use

- **Handling:**
  - Always use both hands when lifting or moving the case to avoid strain or injury.
  - Use the large front handle or shoulder straps for transportation; do not carry the case by the lid or latch.
- **Storage:**
  - Ensure the case is placed on a stable surface when opened.
  - Avoid placing heavy items on top of the case when it is closed.
- **Locking Mechanism:**
  - Always check that the locking latches are securely fastened before transporting the case.
  - Do not force the latches if they do not open easily; check for obstructions or misalignment.
- **Water Resistance:**
  - Although the case is waterresistant, do not submerge it in water. Avoid exposing the case to heavy rain for prolonged periods.
- **Air Pressure Release:**
  - Always use the manual air pressure release valve when closing the case after it has been exposed to changes in altitude or temperature.

## Instructions for Installation and Usage

1. **Initial Setup:**
  - Remove the case from its packaging and inspect for any damage.
  - Familiarize yourself with the internal cutouts for optional internal brackets or mounting rings.
2. **Loading Your Equipment:**
  - Arrange your equipment within the case according to your needs, utilizing the internal cutouts for secure fitting.
  - Use the waterproof removable label to mark your equipment for easy identification.
3. **Closing the Case:**
  - Ensure all items are securely stored and that the lid is properly aligned with the base.
  - Close the lid firmly and engage the locking latches to secure the case.
4. **Transporting the Case:**
  - Use the front handle or attach shoulder straps for comfortable carrying.
  - If using as a trolley case, ensure wheels are free of debris before rolling.
5. **PostUse Care:**

- After use, clean the case with a damp cloth and mild soap if necessary.
- Store the case in a dry location to prevent moisture buildup.

## **Disposal Instructions**

- When disposing of the RED 9413 EXPLORER CASES, ensure that it is done in accordance with local regulations.
- If the case is damaged beyond repair, consider recycling the polypropylene material where possible.
- Do not dispose of the case in regular household waste if it contains any hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the RED 9413 EXPLORER CASES, please refer to the manufacturer's contact point in your region for assistance.

Please ensure that you keep this guide for future reference and share it with anyone who may use the RED 9413 EXPLORER CASES. Your safety and the safety of others is our top priority. Thank you for your attention to these important guidelines.
