## Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

## Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The Mod Red 9413 series can also be used as trolley case.

# Safety Instruction Guide for RED 9413 EXPLORER CASES

## Introduction

Thank you for choosing the RED 9413 EXPLORER CASES Red 9413 BGS, which includes a gunbag. This case is designed to provide the best protection for your valuable equipment. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

## General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use in accordance with EU regulations. Always handle it with care.
- **Enhanced Recalls:** In the event of any safety concerns, standardized recall notices will be issued. Please stay informed about any updates.
- **Online Shopping:** If purchased online, ensure that the retailer meets all safety requirements.
- **Special Consumer Focus:** Extra precautions should be taken when this product is used by or around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the Safety Gate system.

## Specific Safety Precautions for Use

- **Handling:** Always handle the case with care to avoid dropping or mishandling that could lead to damage or injury.
- **Locking Mechanisms:** Ensure that all locking latches are properly secured when the case is closed to prevent accidental opening.
- **Water Resistance:** While the case is designed to be waterresistant, avoid prolonged exposure to water to maintain its integrity.
- **Air Pressure Release:** Use the manual air pressure release valve before closing the case to avoid pressure buildup.
- **Weight Limit:** Do not exceed the recommended weight limit of 7.70kg, as this may compromise the case's structural integrity.
- **Transportation:** When transporting the case, use the large front handle or optional shoulder straps to ensure a secure grip.

## Instructions for Installation and Usage

- **Setup:**
  - Remove the case from its packaging.
  - Inspect the case for any signs of damage before use.
- **Loading Equipment:**
  - Open the case using the locking latches.
  - Place your equipment inside the case, utilizing the internal cutouts for optimal organization.
  - If using a gunbag, ensure it is securely placed within the case.
- **Securing the Case:**
  - Close the lid firmly and engage all locking latches.
  - Ensure the Oring gasket is seated properly to maintain water resistance.
- **Transporting the Case:**
  - Use the large front handle or attach shoulder straps for easy carrying.
  - If using as a trolley case, ensure the wheels are unobstructed for smooth movement.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the case in accordance with local regulations regarding plastic products.
- **Recycling:** If possible, recycle the polypropylene material to minimize environmental impact.
- **Safe Disposal:** If the case is damaged beyond use, ensure it is disposed of in a manner that does not pose a risk to the environment or public safety.

## Contact Information for Further Support

For any questions or concerns regarding the RED 9413 EXPLORER CASES, please refer to the manufacturer's contact information provided with your product or on their official website.

By following these guidelines, you can ensure the safe and effective use of your RED 9413 EXPLORER CASES. Thank you for your attention to safety!
