## Literally indestructible

The weapon cases from Explorer Cases each have corrosion proof metal hinges with lid stay features, which fixate the cover and hold it into place when opened. So you can rest assured that your weapon cases will assist you a long long time.

Thanks to the locking latches the weapon cases are always highly secured. The O-ring gasket also makes them water resistant to a great extend.

Every weapon case is equipped with a manual air pressure release valve. Therefore you can take it easy and will have no problem handling and closing the case.

## Exactly how you want it

The cases are provided with internal cutouts for optional internal brackets or mounting rings, so you can store everything exactly as it is most suitable for your requirements.

Every single suitcase comes with a waterproof removable label with which you can label your equipment or store your data.

The case can either be transported traditionally via the large front handle or via optional shoulder straps, which can be easily attached to any model.

The Mod Red 11413 series can also be used as trolley case.

# Safety Instruction Guide for RED 11413 EXPLORER CASES

## Introduction

Thank you for choosing the RED 11413 EXPLORER CASES. This guide provides essential safety instructions to ensure the safe use and handling of your weapon case. Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** The RED 11413 EXPLORER CASES is designed to ensure safe use. Always follow the instructions to avoid risks associated with improper handling.
- **Enhanced Recalls:** Stay informed about any safety recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping Safety:** If purchased online, ensure that the seller meets safety requirements as per EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay updated on safety information through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Inspect Before Use:** Always inspect the weapon case for any damage or wear before use. Do not use if you notice any defects.
- **Secure Your Equipment:** Ensure that all equipment is securely stored within the case to prevent movement during transport.
- **Locking Mechanism:** Always engage the locking latches when the case is closed to enhance security.
- **Water Resistance:** While the case is waterresistant, avoid prolonged exposure to water. Check the seals regularly for wear.
- **Weight Handling:** The case weighs 8.80 kg. Use appropriate lifting techniques to avoid injury.
- **Transport Safely:** Use the large front handle or optional shoulder straps for transportation. Ensure that the case is balanced when carrying.
- **Air Pressure Release:** Always use the manual air pressure release valve before opening the case if it has been exposed to changes in altitude.

## Instructions for Installation and Usage

- **Setup:**
  - Remove the case from packaging and check for any visible damage.
  - Familiarize yourself with the internal layout and inlay features.
- **Using the Internal Cutouts:**
  - If using optional internal brackets or mounting rings, ensure they are securely fitted before storing equipment.
  - Adjust the internal layout according to your needs for optimal equipment storage.
- **Transporting the Case:**

- Use the front handle for traditional carrying.
- If using shoulder straps, attach them securely to the designated points on the case.
- **Labeling:**
  - Use the waterproof removable label to identify your equipment. Ensure that the label is securely attached.
- **Storing the Case:**
  - Store the case in a cool, dry place away from direct sunlight.
  - Avoid stacking heavy items on top of the case to prevent deformation.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the case responsibly. Do not dispose of it in regular household waste.
- **Recycling:** Check local regulations for recycling options specific to polypropylene materials.
- **Hazardous Waste:** If the case is damaged and contains hazardous materials, contact local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or further assistance, please refer to the contact information provided by the retailer or manufacturer from whom the case was purchased.

Thank you for following these safety instructions. Your safety is our priority, and we hope you enjoy using your RED 11413 EXPLORER CASES.
