

# SAIGA - GRIP SG-M1 - PUFGUN Saiga - Griff SG-M1 / B

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

Simple and reliable design. Does not require modification of weapons, special tools or the involvement of a specialist - gunsmith. Attached to the weapon with screws (included).

Ergonomic design allows you to firmly hold the weapon. A raised lip at the front provides a comfortable position for the index finger in relation to the trigger.

Anti-slip rubberized textured surface. This increases the comfort and accuracy of firing, and reduces the shooter's fatigue. The handle is made with a certain angle back from the vertical. This grip is more effective in countering kickback. The handle has a cavity to reduce weight.

Excellent workmanship of parts and connections. The product does not emit additional noise during operation. The anatomical shape fits easily in the palm of your hand and provides an opportunity to avoid overstrain of muscles and joints during long operations with the weapon.

Operating temperature range, from -50 C to 110 C.

# PUFGUN SAIGA GRIP SGM1 Safety Instruction Guide

## Introduction

Thank you for choosing the PUGUN Saiga Grip SGM1. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use, install, and maintain your grip safely and effectively.

## General Safety Guidelines

- Always treat your weapon as if it is loaded, even if you believe it to be unloaded.
- Ensure that the grip is compatible with your weapon model (AK47, AK74, AKM).
- Inspect the grip and weapon before use to ensure there are no visible damages or defects.
- Store the grip and weapon in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding weapon ownership and usage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure a firm grip on the weapon to maintain control during firing.
- Do not modify the grip or weapon in any way that could compromise safety.
- Avoid using the grip in extreme temperatures outside the operating range of 50 C to 110 C.
- Be aware of your surroundings and ensure that you have a clear line of fire before shooting.
- Wear appropriate personal protective equipment, such as eye and ear protection, when using the weapon.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** Ensure you have the necessary screws (included) for installation.
2. **Align the Grip:** Position the grip on the weapon, ensuring it fits securely against the frame.
3. **Secure the Grip:** Use the screws to attach the grip to the weapon. Tighten them until the grip is firmly in place, but do not overtighten to avoid damaging the grip or weapon.
4. **Check Stability:** After installation, check the grip for stability by gently pulling on it. It should not move or feel loose.

### Usage

- Hold the weapon firmly using the grip, ensuring your index finger rests comfortably on the raised lip in relation to the trigger.
- Maintain a proper stance and posture to counteract kickback and enhance accuracy.
- Take breaks during extended use to reduce muscle and joint fatigue.

## Disposal Instructions

- Dispose of the grip in accordance with local regulations regarding plastic and rubber waste.
- Do not incinerate the grip as it may release harmful substances.
- If the grip is damaged or no longer needed, consider recycling options available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the PUFGUN Saiga Grip SGM1, please contact your local retailer or the manufacturer directly. Ensure you have the product details and any relevant documentation available for reference.

Thank you for prioritizing safety while using the PUFGUN Saiga Grip SGM1. Enjoy your enhanced shooting experience!
