

# SAIGA - GRIP SG-M1 - PUFGUN Saiga - Griff SG-M1-H / B, hard

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

Simple and reliable design. Does not require modification of weapons, special tools or the involvement of a specialist - gunsmith. Attached to the weapon with screws (included).

Ergonomic design allows you to firmly hold the weapon. A raised lip at the front provides a comfortable position for the index finger in relation to the trigger.

Anti-slip rubberized textured surface. This increases the comfort and accuracy of firing, and reduces the shooter's fatigue. The handle is made with a certain angle back from the vertical. This grip is more effective in countering kickback. The handle has a cavity to reduce weight.

Excellent workmanship of parts and connections. The product does not emit additional noise during operation. The anatomical shape fits easily in the palm of your hand and provides an opportunity to avoid overstrain of muscles and joints during long operations with the weapon.

Operating temperature range, from -50 C to 110 C.

# PUFGUN SAIGA GRIP SGM1 Safety Instruction Guide

## Introduction

Thank you for choosing the PUGUN Saiga Grip SGM1. This product is designed to enhance your shooting experience by providing a reliable and ergonomic grip for various weapons. To ensure your safety and the proper use of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always ensure that the weapon is unloaded before installing or handling the grip.
- Follow all local laws and regulations regarding firearm ownership and use.
- Keep the grip and weapon out of reach of children and unauthorized users.
- Regularly inspect the grip and weapon for signs of wear or damage.
- If you experience any issues with the grip or weapon, discontinue use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Ensure that your hands are dry and clean when handling the grip to prevent slipping.
- Do not modify the grip or weapon in any way that may compromise safety.
- Avoid using the grip in extreme temperatures outside the operating range of 50 C to 110 C.
- Be mindful of your surroundings and ensure a safe shooting environment.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the weapon is unloaded and safe to handle.
- Locate the screws included with the grip.
- Align the grip with the designated mounting area on the weapon.
- Secure the grip using the screws, ensuring a tight fit without overtightening.
- Check the grip for stability before use.

### 2. Usage

- Hold the weapon firmly with both hands, using the ergonomic grip for support.
- Place your index finger on the raised lip of the grip, ensuring a comfortable position relative to the trigger.
- Maintain proper shooting stance and posture to reduce fatigue and improve accuracy.
- After use, clean the grip and weapon according to the manufacturer's instructions.

## Disposal Instructions

- Dispose of the grip and any packaging materials in accordance with local regulations.
- Do not dispose of the grip in fire, as it may release harmful substances.
- Consider recycling materials whenever possible.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the PUFGUN Saiga Grip SGM1, please refer to the EU contact point for product safety inquiries. Ensure you have the product details ready for efficient assistance.

## **Conclusion**

Your safety is our top priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your PUFGUN Saiga Grip SGM1. Always prioritize safety and be aware of your surroundings when handling firearms. Thank you for your attention to these important safety instructions.
