

ESS Chassis System Kit Howa 1500 SA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Howa 1500 Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Howa 1500 rifle. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure safe use of the MDT ESS Chassis System Kit by following these guidelines:
 - Always treat your rifle as if it is loaded.
 - Keep the firearm pointed in a safe direction at all times.
 - Store the rifle and chassis system in a secure location, out of reach of children and unauthorized users.
 - Always wear appropriate eye and ear protection when shooting.
 - Familiarize yourself with local laws and regulations regarding firearm ownership and usage.
 - Inspect the chassis system and rifle before each use for any signs of damage or wear.
 - Do not modify the chassis system or any firearm components unless performed by a qualified gunsmith.
 - Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- When using the MDT ESS Chassis System Kit, please observe the following precautions:
 - Ensure that the rifle is unloaded before attaching or detaching the chassis system.
 - Verify that the magazine is properly inserted and securely locked in place before firing.
 - Adjust the buttstock and cheek rest to fit your body size and shooting style before use.
 - Do not exceed the manufacturer's recommended specifications for the rifle and chassis system.
 - Avoid placing pressure on the magazine when using the barricade stop.
 - Ensure that the area around you is clear of obstructions and bystanders before and during shooting.

Instructions for Installation and Usage

- Follow these steps for the proper installation and usage of the MDT ESS Chassis System Kit:

Installation

1. **Unpack the Kit:** Remove all components from the packaging and ensure you have the following:
 - 15" forend
 - Adjustable buttstock
 - AR pistol grip
 - Any additional components included in the kit
2. **Prepare the Rifle:** Ensure the rifle is unloaded and the magazine is removed.
3. **Attach the Forend:**
 - Align the forend with the rifle's action.
 - Securely fasten it according to the manufacturer's specifications.

4. Install the Buttstock:

- Attach the adjustable buttstock to the rear of the chassis.
- Adjust the length of pull and cheek rest height using the thumb wheels.

5. Attach the Pistol Grip:

- Install the AR pistol grip onto the chassis.
- Ensure it is securely fastened.

6. Final Checks:

- Inspect all connections to ensure everything is tightened and secure.
- Conduct a function check to ensure smooth operation of the buttstock and magazine latch.

Usage

- Once installed, use the chassis system as follows:
 - Adjust the buttstock and cheek rest for comfort and optimal shooting position.
 - Load the magazine and insert it into the magazine well.
 - Use the ambidextrous magazine latch for easy access.
 - When finished shooting, unload the rifle and store it securely.

Disposal Instructions

- Dispose of the MDT ESS Chassis System Kit responsibly:
 - Follow local regulations for the disposal of aluminum and other materials.
 - Do not dispose of the chassis system in regular household waste.
 - Contact local recycling centers for proper disposal methods.

Contact Information for Further Support

- For any inquiries or further support regarding the MDT ESS Chassis System Kit, please contact the manufacturer or authorized dealer.

Thank you for your attention to safety and responsible firearm handling. Enjoy your shooting experience with the MDT ESS Chassis System Kit Howa 1500!
