

# ESS Chassis System Kit Howa 1500 SA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch - can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Howa 1500 Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for Howa 1500. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your product. Please read this document carefully before using the chassis system.

## General Safety Guidelines

- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Ensure that the chassis system is compatible with your specific rifle model before installation.
- Follow all local laws and regulations regarding firearm usage and modifications.
- Keep the chassis system and any associated components out of reach of children and unauthorized users.
- Regularly inspect your chassis system for wear and damage. Do not use if any components are damaged.
- If you are unsure about any aspect of using the chassis system, consult a qualified gunsmith or firearms expert.

## Specific Safety Precautions for Use

- Ensure the rifle is unloaded before installing or making adjustments to the chassis system.
- Do not exceed the manufacturer's recommendations for modifications or accessories.
- When adjusting the buttstock and cheek rest, ensure that adjustments are secure before use.
- Be cautious when using the magazine latch to avoid accidental releases.
- Always use a stable shooting position and ensure the area is clear of obstacles and bystanders.
- If using a beavertail grip, ensure that any trimming does not compromise the integrity of the grip.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare the Workspace

- Choose a clean, dry, and welllit area for installation.
- Gather necessary tools, including a screwdriver, Allen wrenches, and any other required tools.

#### 2. Remove the Existing Stock

- Ensure the rifle is unloaded.
- Carefully remove the existing stock from the rifle following the manufacturer's instructions.

#### 3. Install the Chassis System

- Align the rifle action with the Vblock bedding system in the ESS Chassis.
- Secure the action using the provided screws. Ensure they are tightened to the manufacturer's specifications.

#### 4. Attach the Forend

- Install the 15" forend by aligning it with the chassis and securing it with screws.
- Ensure that the forend is firmly attached.

#### 5. Adjust the Buttstock

- Adjust the buttstock to the desired length of pull using the thumb wheels.
- Ensure the buttstock is locked in place before use.

## 6. Install the Magazine

- Insert the magazine into the magazine well, ensuring it clicks into place.
- Test the magazine latch for proper operation.

## Usage

- Always follow safe firearm handling practices.
- Use the chassis system in conjunction with compatible accessories only.
- Regularly check the adjustments on the buttstock and cheek rest before each use.
- If you experience any issues with the chassis system, cease use immediately and consult a professional.

## Disposal Instructions

- Dispose of the chassis system and any components in accordance with local regulations.
- Do not dispose of in regular household waste. Check for recycling programs in your area.
- Ensure that all components are rendered unusable before disposal to prevent accidental misuse.

## Contact Information for Further Support

For any safety inquiries or support, please contact the manufacturer or consult a qualified firearms expert. Always keep this manual for reference and ensure that it is accessible to all users of the chassis system.

Thank you for prioritizing safety and responsible firearm ownership. Enjoy your MDT ESS Chassis System Kit!
