

# ESS Chassis System Kit Howa 1500 LA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Howa 1500 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Howa 1500 rifle. This guide provides essential safety instructions and guidelines to ensure your safe and effective use of the product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms with care and follow all standard firearm safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the rifle is unloaded before installation or adjustment of the chassis system.
- Do not modify the chassis system in any way that could compromise its safety or performance.
- When adjusting the buttstock and cheek rest, ensure that all adjustments are secure before use.
- Be cautious when using the magazine latch; ensure your fingers are clear of any moving parts.
- Always use compatible magazines to ensure proper functioning and safety.

## Instructions for Installation and Usage

### 1. Installation of the Chassis System:

- Start with the rifle unloaded and pointed in a safe direction.
- Remove the existing stock from the Howa 1500 rifle.
- Align the rifle action with the Vblock bedding system in the chassis.
- Secure the rifle action using the provided screws, ensuring a snug fit.

### 2. Adjusting the Buttstock:

- Loosen the thumb wheels on the buttpad and cheek rest.
- Adjust the height of the cheek rest and the length of pull of the buttpad to your preference.
- Tighten the thumb wheels securely to lock in the adjustments.

### 3. Magazine Insertion:

- Ensure the magazine is compatible with the chassis system.
- Align the magazine with the magazine well and insert until you hear a click.
- Test the magazine latch for proper function.

### 4. Using the Chassis System:

- Always check that the rifle is unloaded before handling.
- Use the barricade stop to stabilize the rifle when shooting from a rest.
- Practice safe shooting techniques at all times.

## **Disposal Instructions**

- Dispose of the chassis system in accordance with local regulations.
- For disposal of components, check for recycling options for aluminum materials.
- Ensure that any hazardous materials are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any inquiries or safety concerns regarding the MDT ESS Chassis System Kit, please contact your local authorized dealer or the manufacturer. Always ensure that you have the latest information regarding product recalls and safety notices.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit. Thank you for your attention to safety.
