

# ESS Chassis System Kit Howa 1500 LA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Howa 1500 Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Howa 1500 rifle. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always handle your rifle and accessories with care.
- Ensure that the rifle is unloaded when attaching or detaching the chassis system.
- Store the chassis system and rifle in a secure location, away from children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the adjustable buttstock is securely locked in place before use.
- Adjust the cheek rest and buttpad lengthofpull according to your personal comfort, ensuring they are firmly secured.
- Do not exceed the weight limit of the chassis system as specified by the manufacturer.
- Use only compatible magazines to avoid malfunction or injury.
- Do not modify the chassis system beyond manufacturer specifications.
- Be cautious when using the barricade stop to avoid putting pressure on the magazine.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your rifle is unloaded.
- Gather necessary tools for installation (if required).

### 2. Installation

- Remove the existing stock from your Howa 1500 rifle.
- Align the MDT ESS Chassis System with the rifle action.
- Secure the chassis system using the provided screws and tools.
- Ensure that the Vblock bedding system is properly seated for stability.

### 3. Adjustment

- Adjust the buttstock for lengthofpull using the thumb wheels.
- Adjust the cheek rest height for optimal alignment with your sight.
- Confirm that all adjustments are locked before use.

### 4. Usage

- Load your rifle using the compatible magazine.
- Ensure that the magazine is securely inserted.

- Use the ambidextrous magazine latch for easy access.
- Practice safe shooting techniques and maintain awareness of your surroundings.

## **Disposal Instructions**

- Dispose of the chassis system in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling materials where possible.
- Do not dispose of the chassis system in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's contact resources.

By following these guidelines, you can ensure the safe and effective use of your MDT ESS Chassis System Kit for Howa 1500. Thank you for prioritizing safety in your shooting activities.
