## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Savage Axis rifle. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the chassis system.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow all local laws and regulations regarding firearm modifications and usage.
- Keep the chassis system and all associated components out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before each use.
- If you notice any defects or issues, do not use the product and contact a qualified professional for assistance.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings when using firearms to ensure the safety of yourself and others.

## Specific Safety Precautions for Use

- Before installation, ensure the firearm is completely unloaded and the safety is engaged.
- Do not attempt to modify or alter the chassis system in any way that is not specified in the manufacturer's instructions.
- When using the adjustable buttstock, ensure it is securely locked in place before firing.
- Be mindful of the magazine well's design; ensure the magazine is properly seated to avoid malfunction.
- Use only compatible magazines as specified by the manufacturer to prevent feeding issues.
- The barricade stop is designed to prevent pressure on the magazine; ensure it is correctly positioned when using the rifle in various shooting positions.
- Always check that the cheek rest and buttpad adjustments are secure before use to avoid any accidental movement during firing.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the rifle according to the manufacturer's instructions.
- Align the MDT ESS chassis system with the rifle action and secure it using the provided screws.
- Install the adjustable buttstock by sliding it onto the chassis and locking it in place.
- Attach the AR pistol grip to the chassis, ensuring it is firmly secured.
- Adjust the cheek rest and buttpad to your comfort using the thumb wheels.

### 2. Usage:

- Load the magazine with ammunition and insert it into the magazine well until it clicks into place.
- Adjust the buttstock for length of pull and lateral positioning as needed.
- Ensure the cheek rest is at a comfortable height for optimal sight alignment.
- Always maintain proper shooting posture and grip while using the rifle.
- After use, remove the magazine and clear the firearm before storing it.

## **Disposal Instructions**

- Dispose of the chassis system and any associated parts in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for proper disposal methods of aluminum and plastic components.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product recalls, please refer to the manufacturer's website or contact your local dealer. It is essential to stay informed about safety updates and product recalls.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit. Always prioritize safety and compliance with local regulations while using firearms. Thank you for your attention to these important guidelines.
