

TAC21 Gen 2 Chassis System Remington 700 SA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

TAC21 Gen 2 Chassis System uses AICS-type magazines and AR-type pistol grips, receiver extensions/buffer tubes and buttstocks(sold separately). The easiest and usually best way to complete this chassis is to purchase MDT's AR Pistol Grip and Skeleton Rifle Stock, and of course at least one magazine for your action and caliber. You will get benchrest accuracy, superior ergonomics, versatility and modularity. Straight-line desing means that the recoil comes straight back and does not raise the barrel, which translates to less felt recoil, quicker follow-up shots and better accuracy. Because of this design, the chassis comes in 4 pieces, with all required mounting hardware. Installing can be done in less than an hour, and no bedding is needed.

MDT TAC21 Gen 2 Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT TAC21 Gen 2 Chassis System for your Remington 700. This product is designed for enhanced accuracy, ergonomics, and modularity. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installation or maintenance.
- Use only compatible AICStype magazines and ARtype components as specified in the product description.
- Store the chassis system and all related components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Be aware of your surroundings and ensure a safe environment when using the firearm.

Specific Safety Precautions for Use

- **Recoil Management:** The straightline design of this chassis reduces felt recoil. However, always maintain a firm grip and stance when firing to ensure control.
- **Installation Safety:** Ensure that all tools and components are in good condition before beginning installation. Follow the installation instructions closely to avoid improper assembly.
- **Handling:** Always treat the firearm as if it is loaded. Keep the muzzle pointed in a safe direction and your finger off the trigger until ready to shoot.
- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to own and operate firearms. Ensure that minors are supervised by a responsible adult at all times.

Instructions for Installation and Usage

1. Installation:

- Gather all necessary tools and components, including the MDT AR Pistol Grip and Skeleton Rifle Stock, if applicable.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Remington 700 by following the manufacturer's instructions.
- Attach the MDT TAC21 Gen 2 Chassis System to the receiver, ensuring that all mounting hardware is securely fastened.
- Install the AR Pistol Grip and Skeleton Rifle Stock as per the manufacturer's guidelines.
- Check that the chassis is securely attached and that all components are functioning correctly.

2. Usage:

- Load the compatible AICStype magazine with the appropriate ammunition for your action and caliber.
- Insert the magazine into the chassis and ensure it is seated properly.
- Adjust the stock to fit your shoulder comfortably.
- Always ensure a proper shooting stance and grip before firing.

Disposal Instructions

- Dispose of the chassis system and any components in accordance with local regulations.
- Do not dispose of any firearmrelated products in regular household waste.
- Check with local authorities or waste management facilities for proper disposal methods of firearm accessories.

Contact Information for Further Support

For safety inquiries or additional support regarding the MDT TAC21 Gen 2 Chassis System, please reach out to your local authorized dealer or the manufacturer directly. Ensure that you have the product details and any relevant information ready to assist with your inquiry.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT TAC21 Gen 2 Chassis System. Thank you for your attention to safety, and enjoy your shooting experience!
