

TAC21 Gen 2 Chassis System Remington 700 LA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

TAC21 Gen 2 Chassis System uses AICS-type magazines and AR-type pistol grips, receiver extensions/buffer tubes and buttstocks(sold separately). The easiest and usually best way to complete this chassis is to purchase MDT's AR Pistol Grip and Skeleton Rifle Stock, and of course at least one magazine for your action and caliber. You will get benchrest accuracy, superior ergonomics, versatility and modularity. Straight-line desing means that the recoil comes straight back and does not raise the barrel, which translates to less felt recoil, quicker follow-up shots and better accuracy. Because of this design, the chassis comes in 4 pieces, with all required mounting hardware. Installing can be done in less than an hour, and no bedding is needed.

MDT TAC21 Gen 2 Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT TAC21 Gen 2 Chassis System for your Remington 700. This guide provides important safety information and instructions to ensure proper use and installation of the chassis system. Please read this document carefully to understand how to safely operate and maintain your product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the chassis system.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Keep the chassis system and all components out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- If you notice any defects or issues, cease use immediately and contact a qualified professional.
- Use only compatible components as specified in the product description to avoid malfunction.
- Always wear appropriate safety gear when using firearms, including eye and ear protection.

Specific Safety Precautions for Use

- Ensure that the chassis system is securely attached to the firearm before use.
- Be aware of your surroundings and ensure that you have a safe backstop when firing.
- Do not modify the chassis system or its components in a way that could compromise safety or functionality.
- Avoid using the chassis system in extreme weather conditions that may affect performance.
- Never place your finger on the trigger until you are ready to shoot.
- Always treat every firearm as if it is loaded.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Required Tools:** Ensure you have all necessary tools for installation, including a screwdriver and any specific tools recommended by the manufacturer.
2. **Remove Existing Components:** Safely detach any existing stock or chassis from your Remington 700.
3. **Attach the Chassis:**
 - Align the MDT TAC21 Gen 2 Chassis with the receiver of the Remington 700.
 - Securely fasten the chassis using the provided mounting hardware.
4. **Install the Pistol Grip and Stock:**
 - Attach the MDT AR Pistol Grip according to the manufacturer's instructions.
 - Install the Skeleton Rifle Stock, ensuring it is securely fastened.
5. **Check Stability:** Ensure all components are tightly secured and do not move when tested.
6. **Install Magazine:** Insert the appropriate AICStype magazine for your action and caliber.

Usage Instructions

- Always perform a function check after installation to ensure everything operates correctly.
- Familiarize yourself with the ergonomics and adjustments of the chassis system before use.
- Practice safe firearm handling at all times.

Disposal Instructions

- Dispose of the chassis system and any components in accordance with local regulations.
- Do not dispose of in regular household waste. Instead, consider recycling options for metal and plastic components.
- Ensure that all parts are rendered unusable before disposal to prevent unauthorized use.

Contact Information for Further Support

For any questions or concerns regarding the MDT TAC21 Gen 2 Chassis System, please reach out to your local dealer or manufacturer's representative. Ensure you have your product details and any relevant information at hand for efficient assistance.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT TAC21 Gen 2 Chassis System. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety instructions.
