

# TAC21 Gen 2 Chassis System Savage 10, 11, 12, 16 RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

TAC21 Gen 2 Chassis System uses AICS-type magazines and AR-type pistol grips, receiver extensions/buffer tubes and buttstocks(sold separately). The easiest and usually best way to complete this chassis is to purchase MDT's AR Pistol Grip and Skeleton Rifle Stock, and of course at least one magazine for your action and caliber. You will get benchrest accuracy, superior ergonomics, versatility and modularity. Straight-line design means that the recoil comes straight back and does not raise the barrel, which translates to less felt recoil, quicker follow-up shots and better accuracy. Because of this design, the chassis comes in 4 pieces, with all required mounting hardware. Installing can be done in less than an hour, and no bedding is needed.

# MDT TAC21 Gen 2 Chassis System Savage Safety Instruction Guide

## Introduction

Thank you for choosing the MDT TAC21 Gen 2 Chassis System for your Savage firearms. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your chassis system. Please read this document carefully before installation and use.

## General Safety Guidelines

- Product Safety:
  - Ensure safe use of the MDT TAC21 Gen 2 Chassis System by following all instructions and guidelines provided in this document.
  - Be aware of potential risks associated with the use of firearms and their accessories.
- Enhanced Recalls:
  - Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided for returning or remedying the product.
- Online Shopping:
  - When purchasing online, ensure that the retailer meets safety requirements and provides clear product information.
- Special Consumer Focus:
  - Keep the chassis system out of reach of children and vulnerable individuals. This product is intended for use by responsible adults only.
- EU Contact Point:
  - For any safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- Rapid Alerts:
  - Regularly check the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- Always treat firearms and their components as if they are loaded, even when you believe they are not.
- Never point the firearm at anything you do not intend to shoot.
- Wear appropriate eye and ear protection when using firearms.
- Ensure the chassis system is compatible with your specific Savage model (10, 11, 12, or 16).
- Use only AICStyle magazines with this chassis system.
- Ensure that all components, including the pistol grip and buttstock, are securely attached before use.
- Regularly inspect the chassis system for any signs of wear or damage. Do not use if damaged.
- Only use this product for its intended purpose as described in the product specifications.

## Instructions for Installation and Usage

## Installation Steps

### 1. Prepare Your Workspace:

- Ensure you have a clean, welllit area to work in.
- Gather all necessary tools, including a screwdriver and any additional tools specified in the product manual.

### 2. Disassemble Existing Firearm Components:

- Carefully remove the existing stock and pistol grip from your Savage firearm.
- Keep all screws and mounting hardware for future use.

### 3. Attach the MDT TAC21 Chassis:

- Align the chassis with the firearm's action.
- Securely attach the chassis using the provided mounting hardware. Ensure all screws are tightened to the manufacturer's specifications.

### 4. Install the Pistol Grip and Buttstock:

- Attach the MDT AR Pistol Grip and Skeleton Rifle Stock (sold separately) to the chassis.
- Follow the manufacturer's instructions for securing these components.

### 5. Insert the Magazine:

- Insert the AICStype magazine into the chassis.
- Ensure the magazine is seated correctly and securely.

### 6. Final Inspection:

- Check all connections and ensure everything is securely fastened.
- Verify that the chassis system is correctly aligned and functioning as intended.

## Usage Instructions

- Always follow safe handling practices when using your firearm.
- Familiarize yourself with the operation of the MDT TAC21 Gen 2 Chassis System before use.
- Practice shooting in a controlled environment to become accustomed to the chassis system's performance.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- When disposing of the chassis system or any firearm components, follow local laws regarding hazardous materials.
- If you need to dispose of the product due to damage or malfunction, contact your local waste management authority for guidance.

## Contact Information for Further Support

For any questions or concerns regarding the MDT TAC21 Gen 2 Chassis System, please refer to the contact information provided by your retailer or manufacturer. Always ensure you are in compliance with local laws and regulations regarding firearms and their accessories.

Thank you for your attention to these safety guidelines. Enjoy the enhanced performance and accuracy of your MDT TAC21 Gen 2 Chassis System.
