

# TAC21 Gen 2 Chassis System Savage 110, 111, 112, 116 RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

TAC21 Gen 2 Chassis System uses AICS-type magazines and AR-type pistol grips, receiver extensions/buffer tubes and buttstocks(sold separately). The easiest and usually best way to complete this chassis is to purchase MDT's AR Pistol Grip and Skeleton Rifle Stock, and of course at least one magazine for your action and caliber. Savage Long Action is meant for 300 Win Mag and similar cartridges. You will get benchrest accuracy, superior ergonomics, versatility and modularity. Straight-line desing means that the recoil comes straight back and does not raise the barrel, which translates to less felt recoil, quicker follow-up shots and better accuracy. Because of this design, the chassis comes in 4 pieces, with all required mounting hardware. Installing can be done in less than an hour, and no bedding is needed.

# MDT TAC21 Gen 2 Chassis System Safety Instructions

## Introduction

Thank you for choosing the MDT TAC21 Gen 2 Chassis System for your Savage rifle. This manual provides essential safety guidelines to ensure the safe and effective use of your chassis system. Please read and follow these instructions carefully to maximize your safety and the performance of your product.

## General Safety Guidelines

- Always handle firearms with care and follow all applicable laws and regulations.
- Ensure that the chassis system is compatible with your specific rifle model before installation.
- Keep the chassis system and all related components out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage. Do not use if damaged.
- Use only AICStype magazines and compatible components as specified in the product description.
- Be aware of the recoil characteristics of your rifle and ensure proper stance and grip during use.
- Store the chassis system in a secure location when not in use.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or adjusting the chassis system.
- Use proper eye and ear protection while shooting.
- Do not modify the chassis system or use unauthorized accessories that could compromise safety.
- Be cautious of your surroundings and ensure a safe shooting environment.
- Always follow the manufacturer's instructions for the installation and use of the chassis system.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components, including the MDT AR Pistol Grip, Skeleton Rifle Stock, and compatible magazines.
- Ensure that your workspace is clean and free from distractions.

### 2. Installation Steps

- Remove the existing stock from your Savage rifle, following the manufacturer's instructions.
- Attach the MDT TAC21 Gen 2 Chassis System to the rifle's receiver using the provided mounting hardware.
- Install the MDT AR Pistol Grip and Skeleton Rifle Stock according to the manufacturer's guidelines.
- Ensure all components are securely fastened and properly aligned.

### 3. Final Checks

- Verify that the installation is complete and that all components are functioning correctly.
- Perform a safety check to ensure the rifle is unloaded and the safety mechanism is engaged.

### 4. Usage

- When ready to shoot, load the rifle with an AICStype magazine compatible with your action and caliber.
- Maintain a proper shooting stance and grip to manage recoil effectively.

- After use, ensure that the rifle is unloaded and store the chassis system securely.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the chassis system or any components become damaged beyond repair, follow local guidelines for the disposal of metal and plastic materials.
- Do not dispose of the chassis system in regular household waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT TAC21 Gen 2 Chassis System, please refer to the manufacturer's website or contact their customer support team for assistance.

By following these safety instructions, you can enjoy the benefits of your MDT TAC21 Gen 2 Chassis System while ensuring a safe and enjoyable shooting experience. Thank you for your attention to safety.
