

# TAC21 Gen 2 Chassis System Savage 110, 111, 112, 116 RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

TAC21 Gen 2 Chassis System uses AICS-type magazines and AR-type pistol grips, receiver extensions/buffer tubes and buttstocks(sold separately). The easiest and usually best way to complete this chassis is to purchase MDT's AR Pistol Grip and Skeleton Rifle Stock, and of course at least one magazine for your action and caliber. Savage Long Action is meant for 300 Win Mag and similar cartridges. You will get benchrest accuracy, superior ergonomics, versatility and modularity. Straight-line desing means that the recoil comes straight back and does not raise the barrel, which translates to less felt recoil, quicker follow-up shots and better accuracy. Because of this design, the chassis comes in 4 pieces, with all required mounting hardware. Installing can be done in less than an hour, and no bedding is needed.

# MDT TAC21 Gen 2 Chassis System Savage Safety Instruction Guide

## Introduction

Thank you for choosing the MDT TAC21 Gen 2 Chassis System for your Savage rifle. This guide provides essential safety instructions and guidelines to ensure the safe use, installation, and maintenance of your product. Please read this manual thoroughly before using the chassis system.

## General Safety Guidelines

- Ensure that all components are compatible with your specific rifle model (Savage 110, 111, 112, 116).
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the chassis and all firearms out of reach of children and unauthorized users.
- Inspect the chassis and all components for damage before each use.
- Use only AICStype magazines and recommended accessories to avoid malfunctions.
- Be aware of your surroundings and ensure a safe environment when handling firearms.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that the rifle is unloaded and the chamber is clear before installing or adjusting the chassis.
- Do not modify the chassis or any of its components beyond the manufacturer's specifications.
- Avoid using the chassis in wet or humid conditions to prevent corrosion.
- Regularly check for loose screws or fittings and tighten as necessary before use.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Preparation

- Gather all necessary tools and components, including the MDT AR Pistol Grip and Skeleton Rifle Stock (sold separately).

#### 2. Remove Existing Stock

- Ensure the rifle is unloaded.
- Remove the existing stock from the rifle by unscrewing the mounting screws.

#### 3. Install the Chassis

- Align the chassis with the rifle's action.
- Secure the chassis using the provided mounting hardware, ensuring all screws are tightened properly.

#### 4. Attach the Pistol Grip and Stock

- Follow the manufacturer's instructions for installing the MDT AR Pistol Grip and Skeleton Rifle Stock.
- Ensure that the grip and stock are securely attached.

## 5. Final Checks

- Inspect the installation for any loose components.
- Ensure that the magazine is properly seated and that the action cycles smoothly.

## Usage Instructions

- Load the rifle with the appropriate AICStype magazine for your caliber.
- Aim the rifle in a safe direction and prepare to fire.
- Follow standard shooting practices for accuracy and safety.

## Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of in general waste; check for recycling options for aluminum materials.
- Ensure that all firearms and ammunition are stored safely and securely until disposal.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact your local dealer. Always ensure that you have the latest information regarding product recalls or safety updates through authorized channels.

By following these guidelines, you can ensure the safe and effective use of your MDT TAC21 Gen 2 Chassis System. Thank you for your attention to safety, and enjoy your shooting experience.
