

TAC21 Gen 2 Chassis System Tikka T3, T3x SA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

TAC21 Gen 2 Chassis System uses AICS-type magazines and AR-type pistol grips, receiver extensions/buffer tubes and buttstocks(sold separately). The easiest and usually best way to complete this chassis is to purchase MDT's AR Pistol Grip and Skeleton Rifle Stock, and of course at least one magazine for your action and caliber. You will get benchrest accuracy, superior ergonomics, versatility and modularity. Straight-line desing means that the recoil comes straight back and does not raise the barrel, which translates to less felt recoil, quicker follow-up shots and better accuracy. Because of this design, the chassis comes in 4 pieces, with all required mounting hardware. Installing can be done in less than an hour, and no bedding is needed.

MDT TAC21 Gen 2 Chassis System Safety Instruction Guide

Introduction

Thank you for purchasing the MDT TAC21 Gen 2 Chassis System for Tikka T3 and T3x rifles. This guide provides essential safety information and instructions to ensure the safe and effective use of your new product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the chassis system is compatible with your specific rifle model (Tikka T3 or T3x).
- Always handle firearms with care and follow the basic rules of firearm safety.
- Keep the chassis system and all related components out of reach of children and unauthorized users.
- Inspect the chassis system for any signs of damage or wear before each use.
- Do not exceed the manufacturer's specifications for the chassis system, including weight limits and intended use.
- If you experience any issues or concerns regarding the chassis system, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the chassis system.
- Use only AICStype magazines that are compatible with the MDT TAC21 Gen 2 Chassis System.
- When using the chassis system, maintain a proper shooting stance to reduce the risk of injury from recoil.
- Be aware of your surroundings and ensure that your shooting area is safe and secure.
- Wear appropriate eye and ear protection while using the firearm equipped with the chassis system.
- Avoid using the chassis system in adverse weather conditions that could affect its performance or your safety.

Instructions for Installation and Usage

1. Unpacking the Chassis System

- Carefully remove the chassis system from its packaging.
- Verify that all components and mounting hardware are included.

2. Installing the Chassis System

- Ensure that your Tikka T3 or T3x rifle is unloaded and safe to handle.
- Remove the factory stock from your rifle according to the manufacturer's instructions.
- Align the chassis system with the receiver of the rifle.
- Secure the chassis system using the provided mounting hardware. Ensure all screws are tightened properly but do not overtighten.
- Install your chosen AR pistol grip and buttstock according to the manufacturer's instructions. These components are sold separately.

3. Loading the Magazine

- Insert the AICStype magazine into the chassis system until it clicks into place.
- Ensure that the magazine is securely seated before chambering a round.

4. Using the Chassis System

- Position the rifle in a stable shooting position.
- Aim at your target and ensure a clear line of sight.
- Discharge the firearm only when you are ready and it is safe to do so.

5. PostUse Care

- After use, clean and maintain the chassis system according to the manufacturer's recommendations.
- Store the chassis system and rifle in a secure location, ensuring that both are unloaded.

Disposal Instructions

- Dispose of any packaging materials according to local regulations.
- When disposing of the chassis system or any firearm components, follow local laws and regulations regarding the disposal of firearms and related accessories.
- If the chassis system is no longer usable, consider recycling any metal components where possible.

Contact Information for Further Support

For any questions or concerns regarding the MDT TAC21 Gen 2 Chassis System, please refer to the manufacturer's website or contact your retailer for assistance. Ensure you have your purchase details available for reference.

Thank you for choosing the MDT TAC21 Gen 2 Chassis System. Your safety and satisfaction are our priorities. Enjoy your shooting experience!
