

TAC21 Gen 2 Chassis System Tikka T3, T3x LA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

TAC21 Gen 2 Chassis System uses AICS-type magazines and AR-type pistol grips, receiver extensions/buffer tubes and buttstocks(sold separately). The easiest and usually best way to complete this chassis is to purchase MDT's AR Pistol Grip and Skeleton Rifle Stock, and of course at least one magazine for your action and caliber. Tikka Long Action models require MDT 3.56" magazines. You will get benchrest accuracy, superior ergonomics, versatility and modularity. Straight-line desing means that the recoil comes straight back and does not raise the barrel, which translates to less felt recoil, quicker follow-up shots and better accuracy. Because of this design, the chassis comes in 4 pieces, with all required mounting hardware. Installing can be done in less than an hour, and no bedding is needed.

MDT TAC21 Gen 2 Chassis System Safety Instruction Guide

Introduction

Thank you for choosing the MDT TAC21 Gen 2 Chassis System for your Tikka T3, T3x rifle. This guide provides essential safety information, installation instructions, and usage guidelines to ensure your safety and optimal performance of the product. Please read this document carefully before using the chassis system.

General Safety Guidelines

- **Product Safety:** Ensure that you use the MDT TAC21 Gen 2 Chassis System in accordance with the guidelines provided in this manual to prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about any recalls related to the product. Follow the instructions provided in recall notices for safe returns or replacements.
- **Online Shopping:** If purchased online, ensure that the platform complies with EU safety regulations.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors to avoid accidents.
- **EU Contact Point:** For any safety inquiries or concerns, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation can lead to malfunction or accidents.
 - Using incompatible components may compromise safety and performance.
 - Ensure that you are familiar with the operation of firearms before installation and use.
- **Avoiding Hazards:**
 - Always follow the manufacturer's instructions for installation and usage.
 - Ensure that all components are compatible with your specific Tikka model.
 - Do not modify the chassis system in any way that could affect its performance or safety.
 - Always handle firearms safely and responsibly.
- **AgeSpecific Warnings:**
 - This product is designed for adult use only. It is not suitable for individuals under the age of 18.

Instructions for Installation and Usage

- **Installation Instructions:**
 1. Gather all necessary tools and components, including the MDT TAC21 Gen 2 Chassis System, AR Pistol Grip, Skeleton Rifle Stock, and compatible magazines.
 2. Remove the existing stock from your Tikka T3, T3x rifle.
 3. Align the chassis system with the receiver of your rifle.
 4. Secure the chassis using the provided mounting hardware. Ensure all screws are tightened properly.
 5. Attach the AR Pistol Grip and Skeleton Rifle Stock according to the manufacturer's instructions.

6. Insert the appropriate magazine for your action and caliber.
7. Perform a function check to ensure everything is installed correctly before use.

- **Usage Guidelines:**

- Always ensure that the rifle is unloaded before handling or modifying it.
- Use the chassis system in a safe and controlled environment.
- Regularly inspect the chassis and components for wear and damage.
- Follow all applicable laws and regulations regarding firearm use and modifications.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If you need to dispose of the chassis system or any components, check with local waste management services for proper disposal methods.
- Do not dispose of the product in household waste. Follow regulations for electronic and metal waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the MDT TAC21 Gen 2 Chassis System, please refer to the contact details provided by your retailer or manufacturer. Ensure you have your product information ready for assistance.

By following these safety guidelines and instructions, you can enjoy the benefits of your MDT TAC21 Gen 2 Chassis System while ensuring your safety and the safety of others. Thank you for your attention to these important details.
