

# LSS-RF Gen 2 Chassis System Savage Mark II - MDT Chassis - LSS-RF System - Gen2 - Savage MKII - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-RF Gen 2 Rimfire Chassis System is made after the LSS Gen 2 Chassis, with the same features and upgrades, but for 22LR / 17 HMR rifles and uses factory magazines. Lightweight and compact. Pistol grip and buttstock sold separately, MDT's AR pistol grip and Skeleton Carbine Stock are good choices - but any AR pistol grip without beavertail and any AR stock with carbine buffer tube and castle nut will work. M-Lok compatible forend accepts up to 1" barrels. Iron sights can be used with this chassis, stock with a cheek riser is recommended when using a scope.

# Safety Instruction Guide for MDT LSSRF Gen 2 Chassis System

## Introduction

Thank you for choosing the MDT LSSRF Gen 2 Chassis System for your Savage Mark II rifle. This guide provides important safety instructions and guidelines to ensure safe and effective use of your chassis system. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the chassis system is installed correctly according to the provided instructions.
- Always handle firearms with care and follow all local laws and regulations regarding firearm ownership and usage.
- Keep the chassis system and all related components out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before each use.
- Use only compatible components and accessories as specified in this guide to avoid potential hazards.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always treat your rifle as if it is loaded, even if you believe it is not.
- Do not point your firearm at anything you do not intend to shoot.
- Use the chassis system only with the specified models and calibers (22LR / 17 HMR).
- Ensure that the firearm is unloaded when installing or adjusting the chassis system.
- Avoid using the chassis system in wet or damp conditions to prevent corrosion and malfunction.
- When using a scope, it is recommended to use a stock with a cheek riser for proper alignment and comfort.
- Be cautious when using iron sights; ensure they are properly aligned before shooting.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure your work area is clean and free of distractions.
2. **Unloading the Firearm:** Verify that the firearm is completely unloaded. Remove the magazine and visually inspect the chamber.
3. **Removing the Factory Stock:** Carefully detach the factory stock from the rifle, following the manufacturer's instructions.
4. **Attaching the Chassis:**
  - Align the MDT LSSRF Gen 2 Chassis with the action of your Savage Mark II.
  - Securely fasten the chassis to the action using the provided screws. Do not overtighten.
5. **Installing the Pistol Grip and Buttstock:**
  - Choose an appropriate AR pistol grip and stock that meet the compatibility requirements.
  - Follow the manufacturer's instructions for installation.
6. **Final Inspection:** Ensure all components are securely attached and that there are no loose parts.

### Usage

- After installation, familiarize yourself with the chassis system and its features.
- Always use factory magazines that are compatible with your rifle.
- Practice proper shooting techniques and safety measures at all times.
- Regularly clean and maintain your chassis system to ensure optimal performance.

## **Disposal Instructions**

- Dispose of the chassis system and any associated components in accordance with local regulations.
- Do not dispose of the chassis system in household waste. Check for recycling options or designated disposal facilities.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT LSSRF Gen 2 Chassis System, please refer to the manufacturer's website or contact their customer support for assistance.

Stay safe and enjoy your shooting experience with the MDT LSSRF Gen 2 Chassis System.
