

LSS-RF Gen 2 Chassis System Savage Mark II - MDT Chassis - LSS-RF System - Gen2 - Savage MKII - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-RF Gen 2 Rimfire Chassis System is made after the LSS Gen 2 Chassis, with the same features and upgrades, but for 22LR / 17 HMR rifles and uses factory magazines. Lightweight and compact. Pistol grip and buttstock sold separately, MDT's AR pistol grip and Skeleton Carbine Stock are good choices - but any AR pistol grip without beavertail and any AR stock with carbine buffer tube and castle nut will work. M-Lok compatible forend accepts up to 1" barrels. Iron sights can be used with this chassis, stock with a cheek riser is recommended when using a scope.

MDT LSSRF Gen 2 Chassis System Safety Instruction Guide

Introduction

Thank you for choosing the MDT LSSRF Gen 2 Chassis System for your Savage Mark II rifle. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the chassis system is installed correctly before use.
- Use only compatible components with the MDT LSSRF Gen 2 Chassis System.
- Store your firearm and chassis system securely and out of reach of children and unauthorized users.
- Regularly inspect the chassis system for wear and tear.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the chassis is compatible with your Savage Mark II rifle and uses factory magazines.
- **Installation:** Follow installation instructions carefully to avoid improper assembly, which could lead to malfunction.
- **Firearm Handling:** Always follow safe firearm handling practices, including keeping the muzzle pointed in a safe direction.
- **Sights and Scopes:** When using iron sights or a scope, ensure that the stock with a cheek riser is used for proper alignment and comfort.
- **Grip and Stock:** Use an appropriate AR pistol grip without beavertail and an AR stock with carbine buffer tube and castle nut.
- **Barrel Size:** The MLoc compatible forend accepts barrels up to 1 inch in diameter; ensure your barrel fits properly.
- **Vulnerable Groups:** Keep the chassis system out of reach of children and ensure that only responsible adults handle firearms.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the chassis system from the packaging. Inspect for any visible damage.
2. **Compatibility Check:** Verify that the chassis is suitable for your Savage Mark II rifle and that you have the necessary components.
3. **Installation:**
 - Align the chassis with the rifle receiver.
 - Secure the chassis using appropriate screws and tools as specified in the installation manual.
 - Ensure all connections are tight and stable.
4. **Grip and Stock Installation:**
 - Attach the AR pistol grip and buttstock according to the manufacturer's instructions.
 - Ensure that the grip is comfortable and allows for proper control of the firearm.
5. **Final Inspection:** Check that all parts are secure and that the chassis is properly fitted to the rifle before use.
6. **Usage:**
 - Load your rifle using factory magazines only.
 - Always perform a safety check before firing.
 - Follow all local laws and regulations regarding firearm usage.

Disposal Instructions

- Dispose of the chassis system according to local regulations for metal and electronic waste.
- If the chassis is damaged or no longer in use, consider recycling components where possible.
- Ensure that any parts that could be hazardous are disposed of safely.

Contact Information for Further Support

For inquiries regarding safety or product issues, please refer to the manufacturer's website or customer support service. It is recommended to have the product information and purchase details ready for assistance.

Stay safe and enjoy your shooting experience with the MDT LSSRF Gen 2 Chassis System. Always prioritize safety and responsible firearm handling.
