

# LSS-RF Gen 2 Chassis System CZ 455, 457 - MDT LSS-RF Gen 2 Chassis System CZ 457 RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-RF Gen 2 Rimfire Chassis System is made after the LSS Gen 2 Chassis, with the same features and upgrades, but for 22LR / 17 HMR rifles and uses factory magazines. Lightweight and compact. Pistol grip and buttstock sold separately, MDT's AR pistol grip and Skeleton Carbine Stock are good choices - but any AR pistol grip without beavertail and any AR stock with carbine buffer tube and castle nut will work. M-Lok compatible forend accepts up to 1" barrels.

# MDT LSSRF Gen 2 Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT LSSRF Gen 2 Chassis System for your CZ 455 and 457 rifles. This guide provides essential safety instructions and guidelines to ensure your safe use of the product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with all safety instructions and guidelines before using the MDT LSSRF Gen 2 Chassis System.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Store the chassis system and any associated components in a secure location, away from children and unauthorized users.
- Regularly inspect the chassis system for wear and damage. Do not use if any parts are damaged or worn.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the chassis system.
- Use only compatible components, such as the MDT AR pistol grip and Skeleton Carbine Stock, or any AR pistol grip without a beavertail and any AR stock with a carbine buffer tube and castle nut.
- Ensure that the MLOk compatible forend is securely attached and that the barrel is properly fitted.
- Do not exceed the manufacturer's specifications for weight and dimensions when adding accessories.
- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Begin by ensuring that the rifle is unloaded and pointed in a safe direction.
- Remove the original stock from your CZ 455 or 457 rifle according to the manufacturer's instructions.
- Attach the MDT LSSRF Gen 2 Chassis System to the rifle using the provided mounting hardware.
- Ensure that all screws and bolts are tightened securely to prevent movement during use.

### 2. Usage:

- Once installed, ensure that the chassis system is properly adjusted for your shooting style.
- Attach the appropriate pistol grip and buttstock, ensuring they are securely fastened.
- Before firing, conduct a safety check to confirm that the firearm is functioning correctly with the new chassis system.
- Use the chassis system in a controlled environment, following all local laws and regulations regarding firearm usage.

## Disposal Instructions

- Dispose of the MDT LSSRF Gen 2 Chassis System in accordance with local regulations regarding electronic waste and materials.
- If the chassis system is damaged beyond repair, contact your local waste disposal facility for guidance on

proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT LSSRF Gen 2 Chassis System, please contact the manufacturer or your local retailer for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT LSSRF Gen 2 Chassis System. Thank you for your attention to safety.
