

# LSS Gen 2 Chassis System Remington - MDT Chassis - LSS Gen2 - Remington Model 7 - SA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

# MDT LSS Gen 2 Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Remington Model 7. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read it carefully before installation and use.

## General Safety Guidelines

- Always handle the chassis system with care to avoid injury.
- Ensure that the chassis is compatible with your firearm model.
- Regularly inspect the chassis for any signs of wear or damage.
- Store the chassis in a secure location away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- Use only compatible AR carbinestyle buttstocks and buffer tubes as specified in the product description.
- Ensure that the castle nut and pistol grip are properly installed before use.
- Do not exceed the manufacturer's specifications for weight and usage.
- Use only AICStyle detachable magazines with this chassis.
- Avoid using the chassis with short barreled rifles that do not meet safety standards.
- Be cautious when using the folding stock adapter to prevent accidental collapse.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have the necessary tools for installation.
- Clear the area of any distractions and ensure you are in a safe environment.

### 2. Installation Steps

- Remove any existing stock from your Remington Model 7.
- Attach the MDT LSS Gen 2 Chassis System to the action of the rifle, following the manufacturer's instructions.
- Securely attach the castle nut and pistol grip to the chassis.
- Install the AR carbinestyle buttstock and buffer tube according to the specifications.
- If using a folding stock adapter, ensure it is correctly installed and tested before use.

### 3. Usage Guidelines

- Always check the chassis system for secure fittings before each use.
- Use the chassis in a controlled environment and follow safe firearm handling practices.
- Regularly clean and maintain the chassis to ensure optimal performance.

## Disposal Instructions

- Dispose of the chassis system in accordance with local regulations regarding metal and firearm components.
- Do not dispose of the chassis in regular household waste.

- Consider recycling options for aluminum materials if available.

## **Contact Information for Further Support**

For safety inquiries or further assistance regarding the MDT LSS Gen 2 Chassis System, please refer to the manufacturer's contact details provided with your product packaging.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe and effective use of your MDT LSS Gen 2 Chassis System. Always prioritize safety and compliance with local laws for a responsible firearm experience. Thank you for your attention to these important guidelines.
