

LSS Gen 2 Chassis System Remington Model 783 SA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

MDT LSS Gen 2 Chassis System Safety Instruction Guide

Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Remington Model 783. This guide provides important safety information and instructions to ensure the safe and effective use of your chassis system. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that all components are compatible with your firearm model.
- Always handle firearms with care and follow the basic rules of gun safety.
- Use only the recommended AR carbinestyle buttstocks and buffer tubes with this chassis system.
- Inspect the chassis system regularly for any signs of wear or damage.
- Keep the chassis system out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed on product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure that the firearm is unloaded before beginning installation.
- Use proper tools to avoid damaging components during installation.
- Follow all installation instructions carefully to prevent accidents.

• Operating Precautions:

- Always check that the chassis is securely attached before use.
- Do not exceed the manufacturer's recommended weight limit for accessories.
- Avoid using the chassis system in wet or damp conditions to prevent corrosion.

• Maintenance Precautions:

- Clean the chassis system regularly to maintain its performance.
- Store the chassis in a dry place when not in use.
- Replace any damaged components immediately to ensure safe operation.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock and buffer tube from the firearm.
- Attach the MDT LSS Gen 2 Chassis System to the firearm receiver.
- Install the AR carbinestyle buffer tube and buttstock according to the manufacturer's instructions.
- Securely attach the castle nut and pistol grip.

2. Usage Guidelines:

- Familiarize yourself with the chassis system before use.
- Always wear appropriate eye and ear protection when firing.

- Practice safe shooting techniques and follow all local laws regarding firearm usage.

Disposal Instructions

- Dispose of the chassis system and any components in accordance with local regulations.
- Do not dispose of materials in regular household waste if they can be recycled.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSS Gen 2 Chassis System, please consult your local retailer or the manufacturer for assistance. Ensure that you have your product details on hand for efficient support.

Thank you for prioritizing safety and compliance while using the MDT LSS Gen 2 Chassis System. Enjoy your enhanced shooting experience!
