

# LSS Gen 2 Chassis System Remington Model 783 SA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

# MDT LSS Gen 2 Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Remington Model 783 SA RH FDE. This guide provides essential safety instructions to ensure the safe and effective use of your product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the chassis system.

## General Safety Guidelines

- Ensure the product is suitable for your firearm model before installation.
- Always handle firearms with care and follow basic firearm safety rules.
- Keep the chassis system out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Use only compatible components as specified in the product description.
- Report any unsafe conditions or incidents related to the chassis system to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear when handling firearms, including eye and ear protection.
- Ensure the firearm is unloaded before installing or adjusting the chassis system.
- Do not exceed the manufacturer's specifications for weight and accessories.
- Be aware of your surroundings and ensure a safe shooting environment.
- Familiarize yourself with the folding stock adapter and ensure it is securely locked in place before use.
- Avoid using the chassis system in adverse weather conditions that may affect performance.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure your workspace is clean and free of distractions.
- Gather all necessary tools, including a castle nut wrench and a screwdriver.

#### 2. Remove the Existing Stock:

- Unload your firearm and ensure it is safe to handle.
- Remove the existing stock from your Remington Model 783.

#### 3. Install the Chassis System:

- Align the chassis with the action of the firearm.
- Secure the chassis using the provided screws and tools.
- Install the castle nut and pistol grip as required.

#### 4. Attach the Buttstock:

- Choose an AR carbinestyle buttstock compatible with the chassis.
- Attach the buttstock according to the manufacturer's instructions.

#### 5. Check for Stability:

- Ensure all components are securely fastened.
- Test the stability of the chassis by gently shaking it.

## **Usage Instructions**

- Always ensure the firearm is unloaded before making any adjustments.
- Familiarize yourself with the controls and features of the chassis system.
- When using the folding stock adapter, ensure it is fully extended and locked before firing.
- Regularly check the chassis for any loose screws or components before each use.

## **Disposal Instructions**

- Dispose of the chassis system and any components in accordance with local regulations.
- Do not dispose of any parts in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT LSS Gen 2 Chassis System, please refer to the manufacturer's contact information provided in the product packaging or visit the official website for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy your shooting experience with the MDT LSS Gen 2 Chassis System.
