

LSS Gen 2 Chassis System Howa 1500 SA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. Howa 1500 SA must use MDT polymer magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT. Also fits Weatherby Vanguard Short Action.

MDT LSS Gen 2 Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Howa 1500 rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your chassis system. Please read this document carefully before installation and usage.

General Safety Guidelines

- Always handle firearms with care and treat them as if they are loaded.
- Ensure that you are familiar with your rifle's operation before installing the chassis system.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Inspect the chassis system regularly for any signs of wear or damage.
- Use only compatible accessories and components as specified in the product documentation.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing the chassis system.
- Use the correct tools for installation to avoid damaging the chassis or the rifle.
- Do not exceed the manufacturer's recommended weight limits for accessories mounted on the chassis.
- Be cautious when adjusting the folding stock adapter to avoid pinching fingers.
- Always use AICStype detachable magazines as specified for compatibility.
- Ensure that the castle nut and pistol grip are securely tightened before use.
- Avoid using the chassis system in extreme conditions (e.g., excessive heat or cold) that may affect its performance.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components, including the MDT LSS Gen 2 Chassis System, castle nut, and pistol grip.
- Ensure that your workspace is clean and free from distractions.

2. Installation Steps

- Remove the existing stock from your Howa 1500 rifle.
- Install the castle nut onto the buffer tube according to the manufacturer's instructions.
- Attach the pistol grip securely to the chassis system.
- Slide the rifle action into the MDT LSS Gen 2 Chassis System, ensuring a proper fit.
- Secure the action with the provided screws, ensuring they are tightened to the manufacturer's specifications.
- If using a folding stock adapter, follow the specific installation instructions for that component.
- Ensure that all components are securely attached before usage.

3. Usage Guidelines

- Always check that the rifle is unloaded before handling.
- When using the chassis system, maintain a proper shooting stance and grip.

- Regularly check for any loose components or signs of wear during use.
- Clean the chassis system as recommended to maintain optimal performance.

Disposal Instructions

- Dispose of the MDT LSS Gen 2 Chassis System in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling options for the aluminum material where possible.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSS Gen 2 Chassis System, please refer to the manufacturer's website or contact their customer support. It is important to ensure that you have access to reliable information and assistance regarding your product.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your MDT LSS Gen 2 Chassis System. Thank you for your attention to these important safety measures.
