

LSS Gen 2 Chassis System Ruger Gunsite Scout SA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. Drop-in for Ruger Gunsite Scout rifles only. 223/5.56 Scout must use Ruger factory magazine. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

MDT LSS Gen 2 Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Ruger Gunsite Scout rifle. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this document carefully before using the chassis system.

General Safety Guidelines

- Ensure that all components are compatible with your specific rifle model.
- Always handle firearms and accessories with care and respect.
- Store the chassis system in a secure location, away from unauthorized users, especially children.
- Regularly inspect the chassis system for signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for product recalls on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always follow the manufacturer's instructions when installing or using the chassis system.
- Ensure that the rifle is unloaded before installing the chassis system.
- Use only AICStype detachable magazines with the chassis system.
- Make sure the folding stock adapter is securely attached before use.
- Do not exceed the manufacturer's specifications for the chassis system.
- Avoid using the chassis system in adverse weather conditions or environments that may compromise its integrity.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded.
- Remove the existing stock from the Ruger Gunsite Scout rifle.
- Attach the MDT LSS Gen 2 Chassis System by aligning it with the action of the rifle.
- Securely fasten the chassis using the provided screws.
- Install the castle nut and pistol grip as needed.
- If using a folding stock adapter, install it according to the manufacturer's instructions.

2. Usage:

- After installation, check the fit and alignment of all components.
- Load the rifle using a compatible AICStype detachable magazine.
- Ensure that the rifle is pointed in a safe direction at all times.
- Follow standard firearm safety practices while handling and shooting.

3. Maintenance:

- Regularly clean the chassis system according to the manufacturer's recommendations.
- Inspect for any signs of wear or damage, especially in highstress areas.
- Replace any worn or damaged components immediately.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations.
- If the chassis is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the MDT LSS Gen 2 Chassis System, please refer to the manufacturer's website or contact their support team directly.

By following these safety instructions, you can ensure a safer experience with your MDT LSS Gen 2 Chassis System. Thank you for your attention to safety.
