

# LSS Gen 2 Chassis System Howa 1500 LA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT. Also fits Weatherby Vanguard Long Action.

# MDT LSS Gen 2 Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Howa 1500 rifle. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your chassis system. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the chassis system for any signs of wear or damage.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep all components, including the chassis, clean and wellmaintained.
- Store the chassis system in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings when using firearms equipped with this chassis system.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always use the chassis system with compatible firearms as specified by the manufacturer.
- Ensure that the installation is completed by a competent individual or professional gunsmith.
- Use only AICStype detachable magazines with this chassis system.
- When using a folding stock adapter, ensure it is securely locked in place before use.
- Avoid using the chassis system in adverse weather conditions that may affect performance and safety.
- Pay attention to the weight of the complete firearm setup to ensure it is manageable for the user.
- Use proper eye and ear protection when firing the weapon.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Ensure you have all necessary components: chassis system, castle nut, pistol grip, buttstock, and buffer tube.
- Begin by removing the action from the original stock of the Howa 1500 rifle.
- Install the action into the MDT LSS Gen 2 Chassis System, ensuring it is securely fitted.
- Attach the castle nut and buffer tube according to the manufacturer's specifications.
- Install the pistol grip and buttstock, ensuring all parts are tightened properly.
- If using a folding stock adapter, follow the manufacturer's instructions for installation.

### 2. Usage Instructions:

- Before each use, check that all components are securely attached and functioning properly.
- Load the AICStype detachable magazine and insert it into the chassis.
- Always point the firearm in a safe direction when loading and unloading.
- Ensure the safety is engaged until you are ready to fire.
- After use, unload the firearm and store it in a safe location.

## Disposal Instructions

- Dispose of the chassis system and any associated components in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Check with local authorities for proper disposal methods for firearms accessories.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT LSS Gen 2 Chassis System, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT LSS Gen 2 Chassis System. Thank you for prioritizing safety in your use of firearms.
