

LSS Gen 2 Chassis System Howa 1500 LA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT. Also fits Weatherby Vanguard Long Action.

MDT LSS Gen 2 Chassis System Safety Instruction Guide

Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Howa 1500 rifle. This guide is designed to provide you with important safety information, installation instructions, and usage guidelines to ensure a safe and enjoyable experience with your product. Please read this guide carefully before using the chassis system.

General Safety Guidelines

- Always follow local laws and regulations regarding firearm modifications and usage.
- Ensure the chassis system is compatible with your specific rifle model before installation.
- Inspect the chassis system for any signs of damage or wear before use.
- Use only AICStype detachable magazines as specified.
- Store the chassis system and associated firearms in a secure location, away from children and unauthorized users.
- Never point a firearm at anything you do not intend to shoot.
- Always treat the firearm as if it is loaded, even if you believe it to be unloaded.
- In case of any malfunction or unexpected behavior, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure that the folding stock adapter is securely attached before use.
- Use proper eye and ear protection while firing the rifle.
- Be aware of your surroundings and ensure a clear shooting area.
- Do not exceed the manufacturer's recommended weight limit for accessories attached to the chassis system.
- Regularly check the tightness of screws and components after use.
- Do not attempt to modify or alter the chassis system in any way that is not recommended by the manufacturer.
- Always follow the manufacturer's instructions for the installation of the pistol grip and castle nut.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure you have all necessary tools and components, including the chassis system, castle nut, and pistol grip.
2. **Disassemble the Rifle:** Safely unload your rifle and remove the original stock.
3. **Attach the Chassis:**
 - Align the action of the Howa 1500 with the chassis system.
 - Secure the action using the provided screws, ensuring a snug fit.
4. **Install the Castle Nut:** Follow manufacturer instructions to attach the castle nut securely.
5. **Attach the Pistol Grip:** Fix the pistol grip to the chassis according to the provided guidelines.
6. **Folding Stock Adapter:** If using, attach the folding stock adapter as per the manufacturer's instructions.
7. **Final Inspection:** Check all connections and components for tightness and security.

Usage

- Before firing, ensure the rifle is properly assembled and all components are functioning correctly.
- Load the AICStype detachable magazine as per the manufacturer's instructions.

- Always check the safety mechanism before handling the firearm.
- Maintain proper shooting stance and grip while firing.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations and guidelines for metal recycling.
- Remove all components from the chassis, including the pistol grip and folding stock adapter, before disposal.
- Do not dispose of firearms or ammunition in regular waste. Follow local laws for safe disposal.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSS Gen 2 Chassis System, please reach out to the manufacturer or your local dealer for assistance. Always ensure that you are using the product as intended and in accordance with safety guidelines.

By following these guidelines, you can help ensure a safe and enjoyable experience with your MDT LSS Gen 2 Chassis System. Thank you for your attention to safety and responsible firearm handling.
