

# LSS Gen 2 Chassis System Howa 1500 - MDT LSS Gen 2 Chassis System Howa Mini Action RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Howa Mini action uses factory Howa magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

# MDT LSS Gen 2 Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Howa 1500 Mini Action rifle. This guide provides important safety instructions to ensure the safe use and handling of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always handle firearms with care and follow all local laws and regulations regarding firearm ownership and usage.
- Keep the chassis system and all associated parts out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only compatible buttstocks and buffer tubes as specified by the manufacturer.
- Ensure the castle nut and pistol grip are securely attached before use.
- Do not exceed the manufacturer's weight limits for accessories mounted on the chassis.
- When using the folding stock adapter, ensure it is properly locked in place before firing.
- Always wear appropriate eye and ear protection when using the rifle.
- Avoid using the chassis system in adverse weather conditions that could affect performance or safety.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the existing stock from your Howa 1500 Mini Action rifle.
- Ensure the rifle is unloaded and safe before proceeding with installation.
- Attach the MDT LSS Gen 2 Chassis System to the action of the rifle, following the manufacturer's instructions.
- Secure the castle nut and pistol grip as per the installation guidelines.
- If using a folding stock adapter, attach it according to the provided instructions.
- Confirm that all components are tightly secured and properly aligned.

### 2. Usage:

- Before firing, doublecheck that the rifle is in a safe condition.
- Adjust the buttstock to your preferred length of pull for comfortable handling.
- Use factory Howa magazines as specified for optimal performance.
- Practice safe handling and shooting techniques at all times.

## Disposal Instructions

- Dispose of the chassis system and any associated components in accordance with local regulations.
- Do not dispose of any parts in regular household waste if they contain hazardous materials.
- Consider recycling options for aluminum components where applicable.

## **Contact Information for Further Support**

For any inquiries related to safety, installation, or product support, please contact the manufacturer or your local dealer for assistance.
