

LSS-XL Gen 2 Carbine Stock Chassis System Howa Mini RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-XL Gen 2 Chassis System has a longer forend than standard LSS, plus many features from the ESS system. This one uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Howa Mini chassis uses original Howa factory magazines.

MDT LSSXL Gen 2 Carbine Stock Chassis System Safety Instructions

Introduction

Thank you for purchasing the MDT LSSXL Gen 2 Carbine Stock Chassis System for Howa Mini. This guide provides essential safety information and instructions to ensure the safe use and installation of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that all components are in good condition before installation and use.
- Always handle firearms with care and follow all local laws and regulations.
- Keep the product and all related accessories out of reach of children and unauthorized users.
- Regularly check for updates and recalls on the EU Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using firearms.
- Ensure that the firearm is unloaded before attaching or detaching the chassis system.
- Use only compatible AR carbinestyle buttstocks and buffer tubes as specified in the product description.
- Do not modify the chassis system or use it in a manner not specified by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation

- Ensure you have the following tools and components ready:
 - AR carbinestyle buttstock
 - Buffer tube
 - Castle nut
 - Pistol grip
 - Original Howa factory magazines
- Make sure your workspace is clean and free of distractions.

2. Installation Steps

- **Step 1:** Ensure the firearm is unloaded.
- **Step 2:** Remove the existing stock from the Howa Mini.
- **Step 3:** Attach the MDT LSSXL Gen 2 chassis to the Howa Mini receiver, ensuring it is securely fitted.
- **Step 4:** Install the buffer tube and castle nut according to the manufacturer's instructions.
- **Step 5:** Attach the AR carbinestyle buttstock to the buffer tube.
- **Step 6:** Install the pistol grip, ensuring it is securely tightened.
- **Step 7:** Insert the original Howa factory magazine into the chassis.

3. Usage Guidelines

- Always check that the firearm is functioning correctly after installation.
- Familiarize yourself with the operation of the chassis system before use.
- Conduct a thorough inspection of the chassis and all components before each use.

Disposal Instructions

- Dispose of packaging materials in accordance with local regulations.
- If the product is no longer in use, ensure it is disposed of responsibly, following local waste management guidelines.
- Do not dispose of any parts in a manner that could be harmful to the environment.

Contact Information for Further Support

For any inquiries or support regarding the MDT LSSXL Gen 2 Carbine Stock Chassis System, please contact the manufacturer or refer to the product documentation for details on how to reach customer support.

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System. Your safety is our priority. Please handle your product responsibly and enjoy your shooting experience.
