

LSS-XL Gen 2 Carbine Stock Chassis System Howa Mini RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-XL Gen 2 Chassis System has a longer forend than standard LSS, plus many features from the ESS system. This one uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Howa Mini chassis uses original Howa factory magazines.

MDT LSSXL Gen 2 Carbine Stock Chassis System

Safety Instructions

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System for your Howa Mini rifle. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always treat the firearm as if it is loaded, even if you believe it to be unloaded.
- Ensure that you are in a safe environment when handling firearms and equipment.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before each use.
- Use only manufacturerapproved accessories and components.
- Follow all local laws and regulations regarding firearm use and storage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the chassis is compatible with your Howa Mini rifle model before installation.
- Do not exceed the weight limit recommended by the manufacturer for attachments and accessories.
- Always wear appropriate eye and ear protection while shooting.
- Avoid using the product in wet or damp conditions to prevent corrosion.
- Check that all screws and fasteners are securely tightened before use.
- Be aware of your surroundings and ensure that there is a safe backstop when shooting.
- Do not modify the chassis or firearm in any way that could compromise safety or performance.

Instructions for Installation and Usage

Installation

1. **Prepare the Workspace:** Ensure that you are working in a clean, dry area with sufficient lighting.
2. **Gather Tools:** You will need a screwdriver and any other tools specified in the product manual.
3. **Remove Existing Stock:** Carefully detach the existing stock from your Howa Mini rifle following the manufacturer's instructions.
4. **Attach the Chassis:**
 - Align the MDT LSSXL Gen 2 Chassis with the receiver of the rifle.
 - Secure the chassis using the provided screws, ensuring they are tightened to the manufacturer's specifications.
5. **Install the Buttstock and Pistol Grip:**
 - Attach the AR carbinestyle buttstock and buffer tube according to the instructions.
 - Secure the castle nut and pistol grip as needed.
6. **Check Compatibility:** Ensure that the original Howa factory magazines fit properly in the chassis.

Usage

- Familiarize yourself with the operation of your rifle and chassis system before shooting.
- Conduct a function check to ensure that everything is working correctly.
- Always follow safe handling practices when loading and unloading your firearm.
- Practice good shooting etiquette and respect the rights of other shooters.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product reaches the end of its life, dispose of it in an environmentally friendly manner. Check local guidelines for recycling or disposal of aluminum and other materials.

Contact Information for Further Support

For any inquiries regarding the MDT LSSXL Gen 2 Carbine Stock Chassis System, please refer to the manufacturer's website or customer support resources.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your MDT LSSXL Gen 2 Carbine Stock Chassis System. Thank you for your attention to these important guidelines.
